Want to teach your
child a foreign
language? Learning
a second language
is becoming more
and more popular
around the world
for good reason.
With so many
benefits of being
bilingual, an
increasing amount
of parents are
trying to give their
children the gift of
a foreign language.
Not all know the
best way to go
about it though.
Even if you don't
know the foreign
language you are
teaching, you can
start with the
basics. Even if you
don't know the
foreign language

you are teaching, you can start with the basics. This flash cards picture books would be one of the best learning tools. Engaging in activities that your child loves and make language learning enjoyable. Children learn better when they are having fun. Whether it be playing games by using this book, or drawing, take advantage of play time together to introduce new vocabulary and phrases. Let's Leap Ahead flash cards help students learn numbers from 0 to 100. Kids learn best with materials they find fun and exciting, and our smartphone design is specially crafted to get kids excited about learning. The

rounded top edge allows for easy sorting. The flash cards package includes a gift card so students can continue learning with School Apps, the most complete, fun, and educational apps in iTunes. Instructional Cards with games and strategies provide additional opportunities for practice. As a first-time mother, I know that teaching a toddler to speak can be difficult. By using my own experience to help my daughter, I have created a flash card book that has simple and fun pictures for your child to learn. This book is the basic learning for kids from ages 1 to 5. Colors! Colors! And

more colors! The Better Learning Flash Card Book has vibrant colors, and enjoyable characters which many learning children could identify. Toddlers are able to have a better perception of what things are when learning with this book. With each page, the 'letters & spelling' are big and colorful. Make learning new objects fun for your toddler with The Better Learning Flash Card book. "Special thanks to Rhonda Fuller for all her help and care with my daughter." Michelle Nazario "The Better Learning Flash Card Book makes a great baby shower gift. I love it." Elizabeth Swindell

"I am a teacher and The Better Learning Flash Card Book is well put together. It helps teach children to read from left to right...and it helps them to prepare for school ."

Anonymous These bold, bright flash cards are a great way to help children learn their times tables. Children can write their answers with the special pen provided, then wipe clean and repeat. Cards are colour-coded to help children find a particular table, and the cards can be shuffled and selected randomly as children's confidence grows. 132 cards include all the times tables up to 12x12.

Opportunities to see, say, hear and write times tables appeal to a range of learning styles. Comes with a special wipe-clean pen that is easy to wipe off the shiny cards. A music reading game that's fun to play with friends and family. Grab a friend and use this book to learn and practice your musical note reading. Student A has the answers and should fold the book in half and hold the book horizontally - looking at just the even numbered pages. Student B should name the notes by looking at just the odd numbered pages. Keep score and take turns. Mix things up. Invent your own note

reading contests. But most of all, have fun! Let's Leap Ahead flash cards help students learn the alphabet in English and Spanish from A to Z. Kids learn best with materials they find fun and exciting, and our smartphone design is specially crafted to get kids excited about learning. The rounded top edge allows for easy sorting. The flash cards package includes a gift card so students can continue learning with School Apps, the most complete, fun, and educational apps in iTunes. Instructional Cards with games and strategies provide additional opportunities for practice.

Flashcards are an easy and interesting way for your child to recognize the world around them.

Approved worldwide by child psychologists, teachers and parents themselves, flashcards are ideal for very young children and those up to 7 years of age. During a child's formative years, developmental cards are almost a necessity, and not just for entertainment.

Flashcards are great for games and just starting conversations with your child. It's long been known that the key to developing a child's intellectual abilities is their personal perception and

experiences during the first five years of life. By showing your child these cards, you'll stimulate brain activity, better develop your child's logical thinking, improve their memory and attention span and develop reading skills faster than their peers. It's easy to teach your child with these cards and regular studies are essential. Product Details: * 200 basic words with pictures flashcards * 9 freestyle writing pages * Printed on black & white interior with bright white smooth paper * Premium matte cover finish * Perfect for all lettering mediums * Large format 8.5" x 11.0" (215mm x

280mm) pages

psychologists, teachers and parents themselves, flashcards are ideal for very young children and those up to 7 years of age. During a child's formative years, developmental cards are almost a necessity, and not just for entertainment. Flashcards are great for games and just starting conversations with your child. It's long been known that the key to developing a child's intellectual abilities is their personal perception and experiences during the first five years of life. By showing your child these cards, you'll Stimulate brain activity, Better develop your child's

logical thinking,
Improve their
memory and
attention span and
Develop reading
skills faster than
their peers. It's
easy to teach your
child with these
cards and regular
studies are
essential. Product
