The Simplicity of Cider Dec 29 2020 "Focused and unassuming fifth generation cider-maker Sanna Lund has one desire: to live a simple, quiet life on her family's apple orchard in

Door County, Wisconsin. Although her business is struggling, Sanna remains fiercely devoted to the orchard, despite her brother's attempts to convince their aging father to sell the land. Single dad Isaac Banks has spent years trying to shield his son Sebastian from his troubled mother. Fleeing heartbreak at home, Isaac packed up their lives and the two headed out on an adventure, driving across the country. Chance--or fate--led them straight to Sanna's orchard. Isaac's helping hands are much appreciated at the apple farm, even more when Sanna's father is injured in an accident. As Sanna's formerly simple life becomes increasingly complicated, she finds solace in unexpected places--friendship with young Sebastian and something more deliciously complex with Isaac--until an outside threat infiltrates the farm."--

Luck, Love & Lemon Pie Jan 10 2022 "When Milwaukee wife and mother MJ Boudreaux realizes that her husband Chris seems more interested in spending time at the casino than he does with her, she seeks out an activity that they can do together to reignite their flame, and it seems that poker is her best bet. Although it doesn't give her the quality time with Chris that

she'd hoped, MJ finds she has a natural knack for the game. Increasingly unhappy at home, she turns to the felt of the poker table for escape. As she spends more time at the tables and less with her family, freedom becomes intoxicating and starts to fill a hole in MJ's life she didn't realize was there"--

Bound with Passion Oct 27 2020 Lady Georgiana Elizabeth Cambury has been a "wild romping girl" all her life: dressing in trousers, riding astride, and doing just fine, thank you very much. Her father's exceedingly generous bequest—and her mother's liberal views of the world—have ensured that Georgie will never be a slave to the barbarous institutions of marriage or motherhood. Or so she thinks. When she returns from five years in North Africa to boring Derbyshire for a brief, obligatory family visit, she finds herself in the midst of a legal snarl involving Mr. James Rushford and Lord Trevor Mayson—neighbors, lovers, and her two closest friends. Mayson's father has declared that he must marry or forfeit his vast inheritance, so Georgie blithely offers to walk down the aisle, in name only. Problem solved. But try as she might, Georgie cannot ignore the

passion that quickly blazes between all three of them. When her marriage of convenience turns into something much deeper, Georgie must decide if she is willing to give up the independence she has fought so hard to achieve—or if love is worth the ultimate surrender.

But when tragedy strikes, Middie's whole world is set spinning. No one seems to understand just how lost she is . . . except for Nate's slacker best friend, Lee. Middie and Lee have never gotten along. But with the ground ripped out from under her, Middie is finding that up is down—and that Lee Ryan might be just what she needs to find her footing once more. Although he adores both of his loving mothers, and his vivacious twin sister with her two husbands, he wants a wife. One wife. Full stop. Is that so much to ask? be the end of it. But when Archie discovers that his wife is as passionate with her particular friend Beatrix as he is with his particular friend Christopher, his world is shattered. Handsome, charming, and cooks almost as well as he f*cks--which is to say phenomenally--Cris makes me want to break all my carefully cultivated rules. I don't want to like him and I definitely can't afford to trust him. Not after what happened the last time I fell in love. The only thing Cris is supposed to be in charge of during our dirty weekends is my body, he needs to keep his too-talented hands off my heart.**Please note: *Alpha in the Sheets* is the first book in *The After Hours Series* and is NOT a stand-alone. *Bound in the Streets*, the second half of Cris and India's story, is out now!**

Crooked Sep 25 2020 The acclaimed author of *Carved in Sand*—a veteran investigative journalist who endured persistent back pain for decades—delivers the definitive book on the subject: an essential examination of all facets of the back pain industry, exploring what works, what doesn't, what may cause harm, and how to get on the road to recovery. In her effort to manage her chronic back pain, investigative reporter Cathryn Jakobson Ramin spent years and a small fortune on a panoply of treatments. But her discomfort only intensified, leaving her feeling frustrated and perplexed. As she searched for better solutions, she exposed a much bigger problem. Costing roughly \$100 billion a year, spine medicine—often ineffective and sometimes harmful

—exemplified the worst aspects of the U.S. health care system. The result of six years of intensive investigation, *Crooked* offers a startling look at the poorly identified risks of spine medicine, and provides practical advice and solutions. Ramin interviewed scores of spine surgeons, pain management doctors, physical medicine and rehabilitation physicians, exercise physiologists, physical therapists, chiropractors, specialized bodywork practitioners. She met with many patients whose pain and desperation led them to make life-altering decisions, and with others who triumphed over their limitations. The result is a brilliant and comprehensive book that is not only important but essential to millions of back pain sufferers, and all types of health care professionals. Ramin shatters assumptions about surgery, chiropractic methods, physical therapy, spinal injections and painkillers, and addresses evidence-based rehabilitation options—showing, in detail, how to avoid therapeutic dead ends, while saving money, time, and considerable anguish. With *Crooked*, she reveals what it takes to outwit the back pain industry and get on the road to recovery.

A Clinical Guide to the Treatment of the Human Stress Response Apr 01 2021 In 1981, Plenum Press published a text entitled The Nature and Treatment of the Stress Response

by Robert Rosenfeld, M. D. , and me. That text attempted to do what no other text from a major publisher had previously attempted, that is, to create a clinically practical guide for the treatment of excessive stress and its arousal-related syndromes—this to be captured between the same covers in combination with a detailed, clinically relevant pedagogy on the neurological and endocrinological foundations of the stress response itself. That volume has enjoyed considerable success having found markets among practicing professionals and clinical students as well. The fields of psychosomatic medicine, health psychology, behavioral medicine, and applied stress research have appreciably expanded their boundaries since the publication of the aforementioned volume. Although remarkably little of the clinical utility of that volume has been eroded with time, it was felt that an updated and more integrative clinical textbook needed to be offered to practicing clinicians and students within clinical rather than simply create a second edition of training programs. Therefore, was made to create a significantly revised the original volume, the decision and expanded volume that would cover many of the same

topics as the original volume but would provide a primary emphasis on the treatment of excessive stress and that would employ an integrative phenomenological model to facilitate that end. This present volume entitled *A Clinical Guide to the Treatment of the Human Stress Response* is the result.

Bound to Be a Bride Aug 05 2021 An exciting erotic novella from acclaimed author Megan Mulry set in Napoleonic Spain. Featuring the sensual art of Japanese rope binding, this is a fresh and intriguing spin on BDSM. Seventeen-year-old Isabella (Doña Isabella de Suárez de Figueroa y Córdoba), daughter of the Duke of Feria, is preparing for her arranged marriage to the son of a wealthy aristocrat. On the morning of her wedding day, after weeks of planning, Isabella escapes from the palace, believing she is riding to freedom. Unfortunately, after only a few hours on horseback, Isabella happens upon a small band of three gentlemen who restrain her and take her hostage. Ultimately, after they realize she is most likely a woman of privilege, they offer their assistance, as all of them are also

headed to Aveiro, a port city in Portugal, to escape their familial obligations. While they are travelling, Isabella and Javier, the leader, develop a tender affection. When Javi (Francisco Javier de la Mina) insists on binding Isabella's wrists and ankles each night—ostensibly to prevent her escape or theft of their goods—the ritual soon turns into a heated game of unspoken sexual promise that is ultimately consummated when they discover their true identities.
