The Hundred Thousand Kingdoms Dec 25 2020 The debut novel from the triple Hugo Award-winning N. K. Jemisin, author of *The Fifth Season* ***WINNER of the Locus Award for Best First Novel*** ***WINNER of the RT Reviewer's Choice Award*** ***Shortlisted for the Tiptree, the Crawford, the Nebula, the Hugo, the World Fantasy, the David Gemmell and the Goodreads Readers' Choice Awards*** Yeine Darr is an outcast from the barbarian north. But when her mother dies under mysterious circumstances, she is summoned to the majestic city of Sky - a palace above the clouds where gods' and mortals' lives are intertwined. There, to her shock, Yeine is named one of the potential heirs to the king. But the throne of the Hundred Thousand Kingdoms is not easily won, and Yeine is thrust into a vicious power struggle with a pair of cousins she never knew she had. As she fights for her life, she draws ever closer to the secrets of her mother's death and her family's bloody history. But it's not just mortals who have secrets worth hiding and Yeine will learn how perilous the world can be when love and hate - and gods and mortals - are bound inseparably. The Inheritance Trilogy begins with *The Hundred Thousand Kingdoms*, continues in *The Broken Kingdoms* and concludes in *The Kingdom of Gods*. Also by N. K. Jemisin: *The Broken Earth* trilogy *The Fifth Season* *The Obelisk Gate* *The Stone Sky* *The Dreamblood Duology* *The Killing Moon* *The Shadowed Sun*

The Council House Nov 23 2020 Council housing is as much a part of the capital as Big Ben or Buckingham Palace; so why is it so much harder to find books that capture these often architecturally beautiful estates? Over the last few decades, we've seen council houses fall into disrepair and defamation. This book, written and photographed by Jack Young - who has spent the last two years visiting every corner of London to find the city's most unique structures - features beautiful images, personal interviews and design insights that celebrate some of our most vital urban buildings. A photographic celebration of some of London's most important and innovative council housing.

One Hundred Years After Tomorrow May 10 2022 "Appearing for the first time in English, these stories express the anguish and courage of women from their different classes and regions as they recognize their common restlessness and forge a new consciousness." —Booklist " . . . provocative . . . Although not all the pieces are outwardly political, there is a political edge to the book; the tone of the stories is bleak as they tell of Brazilian women's struggles with government, society, men and their own private demons. Sadlier's able translations retain a distinctive voice and style for each writer." —Publishers Weekly "Sadlier . . . has done a service to students of Comparative Literature and Women's Studies as well as to general readers who sincerely want to know what literature of quality is being written in that all-too-rarely studied Portuguese language of Brazil." —Revista de Estudios Hispánicos "The pieces . . . convey . . . the evolution in the consciousness of the writers, their sense of themselves, and their place in society as well as the changes affecting Brazil's political climate and society at large during this century." —Review of Contemporary Fiction "A superb addition to the increasing number of anthologies dedicated to Brazilian

literature." —Choice "A must for any modern literary collection."
—WLW Journal Women writers have revolutionized Brazilian literature, and this impressive collection will provide English readers with a window on this revolution. These twenty previously untranslated selections by some of Brazil's most important writers illustrate the remarkable power of women's voices and the important contributions they have made to twentieth-century literature.

One Hundred Hungry Ants Jan 18 2023 This tale of ants parading toward a picnic is "one of those rare gems capable of entertaining while it instructs" (Middlesex News). One hundred hungry ants march off single file to sample a picnic, but when the going gets too slow, they divide into two rows of fifty, then four rows of twenty-five . . . until they take so long that the picnic is gone! "The unexpected pairing of sophisticated art and light-hearted text lends this book particular distinction."

—Publishers Weekly "The illustrations . . . use a pleasing palette and energetic lines to depict ants with highly individual characters." —Horn Book

One, None and a Hundred Thousand Oct 03 2021 "What are you doing?" my wife asked me, as she saw me lingering, contrary to my wont, in front of the mirror. "Nothing," I told her. "I am just having a look here, in my nose, in this nostril. It hurts me a little, when I take hold of it." My wife smiled. "I thought," she said, "that you were looking to see which side it is hangs down the lower." I whirled like a dog whose tail has been stepped on: "Which side hangs down the lower? My nose? Mine?"

The One Hundred Years of Lenni and Margot Jan 06 2022
LONGLISTED FOR THE AUTHOR'S CLUB FIRST NOVEL AWARD 'Emotional, involving, witty and sad. Everyone is going to love Lenni and Margot' JILL MANSELL 'Lenni and

Margot are two of the most wonderful, warm, witty and wise heroines I've ever met. Beautiful and glorious' CLARE POOLEY, author of The Authenticity Project Fiercely alive, disarmingly funny and brimming with tenderness, THE ONE HUNDRED YEARS OF LENNI AND MARGOT unwraps the extraordinary gift of life, and revels in our infinite capacity for friendship and love when we need them most.

Life is short. No-one knows that better than seventeen-year-old Lenni. But as she is about to learn, it's not only what you make of life that matters, but who you share it with. Dodging doctor's orders, she joins an art class where she bumps into fellow patient Margot, a rebel-hearted eight-three-year-old from the next ward. Their bond is instant as they realize that together they have lived an astonishing one hundred years. To celebrate their shared century, they decide to paint their life stories: of growing old and staying young, of giving joy, of receiving kindness, of losing love, of finding the person who is everything. As their friendship deepens, it becomes vividly clear that life is not done with Lenni and Margot yet. An extraordinary friendship. A lifetime of stories. Their last one begins here.

----- VOTED BEST UPLIFTING BOOK OF 2021 BY THE INDEPENDENT 'Full of wisdom and kindness. It is just the kind of book I adore' JOANNA CANNON 'Such a delight! I fell head over heels for Lenni and Margot, their wit and vibrancy and marvellous outlooks on life. An utter joy' ABBIE GREAVES 'Charged with light and colour. Gloriously original and full of wisdom, humour, and hope. It made me think and care and laugh and cry. One of my all-time favourite books' HAZEL PRIOR, author of *Away with the Penguins* 'This is something special: moving, joyful and life-affirming' GOOD HOUSEKEEPING Book of the Month

One Hundred Summers Feb 07 2022 Taking the reader on a journey from the dying embers of Edwardian England, through the trauma of two world wars, the hedonism of London in the 1980s and 'Cool Britannia' in the 1990s right up to the present day, One Hundred Summers is a portrait of a century as it was experienced by one extraordinary family. Along the way, Vanessa Branson recalls the rough and tumble of her chaotic but happy post-war childhood; growing up alongside her older brother Richard, who was entrepreneurial even as a teenager, she would have a front-row seat at the birth of Virgin, one of the most remarkable success stories in British business. She goes on to share her many adventures in a fascinating life, from opening an art gallery on London's Portobello Road and founding an arts festival in Morocco, to turning an ancient palace into a world-famous hotel and finding a real-life Neverland in the Scottish island of Eilean Shona, where J. M. Barrie once wrote a screenplay for Peter Pan. Touching, humane and at times heartbreakingly honest, Branson's family memoir is a vivid and charming tapestry of English eccentricity, fortune, fate and passion.

One Hundred Books Famous in Typography Dec 17 2022 The story of a foundational aspect of publishing, from Gutenberg's press to today's digital type. It's common knowledge that the name Gutenberg and the words "moveable type" go together. What's far less known is that Garamond, Baskerville, and Bodoni aren't just font options in a word processing dropdown menu, but the names of some of the real punchcutters and type designers who raised the essential work of typography to the level of art. One Hundred Books Famous in Typography, the

latest entry in the Grolier Club's prestigious Grolier Hundred series, is the story of art and technology working in harmony with each other, all the way from Johannes Gutenberg's ingenious development of a system for reproducing texts through the introduction of newer technologies like hot-metal line casting, phototype, and digital type. Featuring scholarly yet accessible context for the works discussed and their typographical significance, and illustrated with more than two hundred images, Jerry Kelly's book is the most comprehensive exploration yet of this essential facet of bookmaking and publishing.

One Hundred Lyrics and a Poem Jul 12 2022 Everything I've ever done Everything I ever do Every place I've ever been Everywhere I'm going to Over a career that spans four decades and thirteen studio albums with Pet Shop Boys, Neil Tennant has consistently proved himself to be one of the most elegant and stylish of contemporary lyricists. Arranged alphabetically, One Hundred Lyrics and a Poem presents an overview of Neil Tennant's considerable achievement as a chronicler of modern life: the romance, the break-ups, the aspirations, the changing attitudes, the history, the politics, the pain. The landscape of Tennant's lyrics is recognisably British in character - restrained and preoccupied with the mundane, occasionally satirical, yet also yearning for escape and theatrical release. Often surprisingly revealing, this volume is contextualised by a personal commentary on each lyric and a fascinating introduction by the author which gives an insight into the process and genesis of writing. Flamboyant, understated, celebratory and elegiac, Neil Tennant's lyrics are a document of our times.

A Hundred and One Nights Feb 19 2023 A luminous translation of Arabic tales of enchantment and wonder Translated into English for the very first time, A Hundred and One Nights is a marvelous example of the rich tradition of popular Arabic storytelling. Like the celebrated Thousand and One Nights, this collection opens with the frame story of Scheherazade, the vizier's gifted daughter who recounts imaginative tales night after night in an effort to distract the murderous king from taking her life. A Hundred and One Nights features an almost entirely different set of stories, however, each one more thrilling, amusing, and disturbing than the last. Here, we

encounter tales of epic warriors, buried treasure, disappearing brides, cannibal demon-women, fatal shipwrecks, and clever ruses, where human strength and ingenuity play out against a backdrop of inexorable, inscrutable fate. Distinctly rooted in Arabic literary culture and the Islamic tradition, these tales draw on motifs and story elements that circulated across cultures, including Indian and Chinese antecedents, and features a frame story possibly older than its more famous sibling. This vibrant translation of A Hundred and One Nights promises to transport readers, new and veteran alike, into its fantastical realms of magic and wonder. An English-only edition.

A Hundred and One Daffodils: A Bloomsbury Young Reader Mar 08 2022 A charming story with a woodland setting, ideal for children practising their reading at home or in school. One Hundred Thousand Hearts Mar 16 2020 The pioneering surgeon Dr. Denton Cooley performed his first human heart transplant in 1968 and astounded the world in 1969 by conducting the first successful implantation of a totally artificial heart in a human being. Over the course of his career, Cooley and his associates performed thousands of open-heart operations and pioneered the use of new surgical procedures. Of all his achievements, however, Cooley was most proud of the Texas Heart Institute, which he founded in 1962 with a mission to use education, research, and improved patient care to decrease the devastating effects of cardiovascular disease. In 100,000 Hearts, Cooley tells about his childhood in Houston, his education at the University of Texas, his medical-school training at the University of Texas Medical Branch in Galveston and Johns Hopkins, and his service in the Army Medical Corps. While at Johns Hopkins, Cooley assisted in a groundbreaking

operation to correct an infant's congenital heart defect, which inspired him to specialize in heart surgery. Cooley's detailed descriptions of working in the operating room at crucial points in medical history offer a fascinating perspective on the distance medical science traveled in just a few decades.

One Hundred and Fifty-Two Days Sep 14 2022 'Superb, moving, beautiful' Joanna Cannon, author of The Trouble with Goats and Sheep He will be allowed to visit his mother soon. One Hundred Aug 13 2022 100 essential images from the founder of "environmental portraiture" Published to coincide with the centennial of Arnold Newman's birth, Arnold Newman: One Hundred offers a celebratory look at 100 of the photographer's most provocative and memorable images. Arnold Newman is widely renowned for pioneering and popularizing the environmental portrait. He placed his sitters in surroundings representative of their professions, aiming to capture the essence of an individual's life and work. Though this approach is commonplace today, his technique was highly unconventional in the 1930s when he began shooting his subjects. His environmental approach to portraiture was influenced by symbolism and impressionism, and defined by the imperative of captivating the viewer no matter how well known

the subject was. While he specialized in photographing artists, Newman captured the likenesses of a vast range of figures, from athletes and actors to presidents and politicians, including Marlene Dietrich, John F. Kennedy, Harry S. Truman, Piet Mondrian, Pablo Picasso, Arthur Miller, Marilyn Monroe, Ronald Reagan, Mickey Mantle and Audrey Hepburn.

One Hundred and One Ways Dec 13 2019 "I have spent most of my life in New Jersey, but the blood of a geisha courses through me yet." If Kiki Takehashi's life is dramatically different from that of her reserved Japanese-American mother, it is light-years away from that of her grandmother, whom she knows only through old family stories. Kiki has recently become engaged to Eric, a handsome, successful New York City lawyer. But at the same time she is haunted--quite literally--by the memory of her friend Phillip, killed the previous year in a mountaineering accident. Kiki has never met her grandmother Yukiko, for whom she is named. Still, thoroughly American though she is, she feels a secret kinship with her. Kiki is swept up by the story of this strong, proud, passionate woman who, against all odds, in a time and place far different from her own, was sold by her impoverished family, became a famous geisha, and found the love that has so far eluded the rest of the Takehashi women. Lyrical, haunting, and stunningly evocative, One Hundred and One Ways introduces a powerful and exciting new voice in contemporary fiction. From the Trade Paperback edition.
