The Elephant-Shrew Jun 03 2021 The second in the well-received African Safari Adventure Series, The Elephant-Shrew follows the adventures of Lucy, Kal and Ellie as they help Craig, the manager of the Simba wildlife ranch in Tanzania, to translocate a rare but dangerous antelope. Caught in a violent rainstorm, the group's plane is forced to make an emergency landing and the children find themselves spending the night in a cave, a cave with a mysterious message scrawled on the wall. The discovery of further messages takes them, together with Matata, their Maasai friend and Fupi the terrier, into the murky past of the East African slave trade. Follow the children as they make a gruesome discovery in the Cave of the Rock Cod.

What will the man whom only Lucy sees reveal about the hidden secrets of the forest? "I want to inspire young readers to learn more about wild Africa," says Anthony, who has set the book in a beautiful coastal region. Readers can join in the children's adventures whilst learning about coastal wildlife, African animals and the dark past of slavery in East Africa.

We Are Not Good People Nov 15 2019 From the "exhilarating, powerful, and entertaining" (Guardian)

storyteller of the Avery Cates series comes a gritty supernatural thriller featuring a pair of unlikely heroes

caught up in the underground world of blood magic. The ethics in a world of blood are gray—and an

underground strata of blood magicians has been engineering disasters for centuries in order to acquire

enough fuel for their spells. They are not good people. Some practitioners, however, use the Words and a

swipe of the blade to cast simpler spells, such as Charms and Cantrips to gas up \$1 bills so they appear to

be \$20s. Lem Vonnegan and his sidekick Mags fall into this level of mage, hustlers and con men all. Lem

tries to be ethical by using only his own blood, by not using Bleeders or "volunteers." But it makes life hard.

Soon they might have to get honest work. When the pair encounters a girl who's been kidnapped and

marked up with magic runes for a ritual spell, it's clear they're in over their heads. Turning to Lem's

estranged master for help, they are told that not only is the girl's life all but forfeit, but that the world's

preeminent mage, Mika Renar, has earth-shattering plans for her—and Lem just got in the way. With the

fate of the world on the line, and Lem both spooked and intrigued by the mysterious girl, the other

nominates him to become the huckleberry who'll take down Renar. But even if he, Mags, and the simpletons who follow him prevail, they're dealing with the kind of power that doesn't understand defeat, or mercy. Book One in the Ustari Cycle, the first portion of We Are Not Good People was originally published in an altered form as Trickster (Pocket Books).
