**Historic Santa Barbara** Aug 29 2020 Offers information on historic buildings in Santa Barbara, California, presented by the Santa Barbara Trust for Historic Preservation, which focuses on historic preservation within Santa Barbara County. Contains photographs and maps.

Love Is the Reason for Living May 26 2020 Lady Novella Crownley has been teaching at a girl's school far from her ancestral home, Crownley Hall, and one day her mother asks her to return. She leaves at once only to find that so much has changed since her last visit home. Her beloved father, the Earl of Crownley, had died some years earlier, leaving her mother lonely and unable to cope on her own. Unknown to Novella her mother had remarried and the first time she met her new stepfather, Lord Buckton, she did like him at all. In her absence Lord Buckton had been selling off everything at the Hall he could lay his hands on to pay for his debts and lavish lifestyle, and even had plans to sell the house and the estate as well. To her horror Novella found that he had sold her favourite horse, Salamander, to a near neighbour, Sir Edward Moreton. She was deeply suspicious of the charming and handsome Sir Edward, but her heart softened when he invited her to ride Salamander again. Her mother became seriously ill and Novella was forced to clash with her stepfather over the cost of medical care for her. Her relationship with her stepfather became worse while her feelings for Sir Edward began to intensify. She came to realise that she was in great danger from her stepfather who was determined to take everything from her and her mother at any cost. How Novella was able to defeat the forces ranged against her with the help of Sir Edward and find her own true love is told in this exciting and dramatic romance by Barbara Cartland. If you like Downton Abbey you will love Barbara Cartland .

**Fox Walked Alone** Dec 01 2020 Fox woke up. Slipped out of his lair. Looked. Listened. Sniffed. There was something in the air Usually Fox sleeps in the day and hunts alone at night, but today something strange is happening. Two by two, different animals pass by - mice and tortoises, leopards, wolves, and birds. Fox decides to follow along on this mysterious journey. It leads to a boat resting on a dusty plain - and to someone Fox never expected. A beautiful retelling of the story of Noah's Ark, sure to please.

**One Day I Will Find You** Jan 26 2023 She thought she knew her mother. Now her privileged life has been turned upside down...New Jersey, 1957. Penniless and pregnant, seventeen-year-old Cecilia is out of options. Cast aside by her family, she has no choice but to give away her little bundle of joy. But her vow to someday reunite turns into a dark descent into the dregs of humanity.New York City, 1998. Noelle inherited wealth and a racially insensitive worldview. But when her bigoted mother dies, it shocks Noelle to learn that she's both adopted and bi-racial. And now she's torn between turning her back on the past or embarking on a personal journey for answers to her true

identity. With a body ravaged by drugs and living a dangerous existence on the streets, Cecilia's life could be measured in hours. And unless Noelle can track down her real history, she may run out of time to locate her birth mother. Can Noelle and Cecilia find each other before it's too late to heal the pain in their hearts? *One Day I Will Find You* is a bittersweet drama for fans of contemporary fiction. If you like powerful journeys of self-discovery, emotional revelations, and beautifully rendered tales that transcend time, then you'll love Barbara Larriva's thought-provoking story. Buy *One Day I Will Find You* to bring two souls together today!

*Barbara Cartland: Biography of the Romance Novelist Extraordinaire* Apr 05 2021 This book is part of Hyperink's best little books series. This best little book is 4,500+ words of fast, entertaining information on a highly demanded topic. Based on reader feedback (including yours!), we may expand this book in the future. If we do so, we'll send a free copy to all previous buyers. ABOUT THE BOOK Dame (Mary) Barbara Hamilton Cartland, or Barbara Cartland, was an English author of romantic novels, and one of the most prolific authors of the century, with more than 700 titles to her name. She also wrote under her married name, Barbara McCorquodale. Although most of her novels were set in the 19th century and featured a sanitized, Cinderella version of romance, Cartland actually had her start writing fiction that was considered quite naughty for its time. One of her chief sources of inspiration was Edwardian author Elinor Glyn, who pioneered mass-market erotic fiction, and who Cartland later befriended. Glyn's influence was apparent in Cartland's *Blood Money*, which was considered too racy and banned by the Lord Chamberlain's Office (British Royal Palace protocol) upon its release in 1926. Barbara Cartland herself was a part of the English upper class, and her novels are virtually all set in that environment, with characters who are living examples of the ideals and manners of English aristocracy. Her books are chaste and moral, always having a happy ending. Her heroines are sweet, innocent, and submissive; her heroes are handsome, dashing, and aristocratic. In Cartland's world, love conquers all. Her women are all able to change their men through their own inner goodness, transforming them into caring and responsible men. Themes are all woven around idealistic love, virginity before marriage, and women's proper place in the home, raising children. EXCERPT FROM THE BOOK Barbara's father, unable to finance the family's affluent country lifestyle, moved the family to a rented farmhouse in Worcestershire. He went to work for the local Conservative Party office, managing the election of the MP candidate. When the Tory candidate was successfully elected, Bertram was given the post of private secretary. However, when World War I began, Bertram volunteered for military duty and was killed on a Flanders battlefield a few months before armistice when Barbara was 16 years old. Undaunted, Barbara's mother, Polly, moved the family, 18-year-old Barbara, 12-year-old Ronald, and 8-year-old Anthony, to London, where she opened a dress shop in Kensington. Polly lacked funds to send her children to university, but her children prospered nonetheless. Ronald went to work for the London Conservative Party and later served as an MP. Barbara's brothers Anthony and Ronald were both eventually killed in battle themselves in 1940, one day apart. Barbara Cartland attended the Alice Ottley School initially, and when the family moved to Worcestershire, attended Malvern Girls College, then Abbey House, a school in Hampshire. Cartland was independent, talented, smart, and ambitious, and she soon found success as a society reporter and romantic fiction writer... Buy a copy to keep reading!

**Fir for Luck** Oct 11 2021 The heart-wrenching tale of a girl's courage to save her village from the Highland Clearances.

Potter's American Monthly Oct 19 2019

A Life of Barbara Stanwyck Mar 04 2021 "860 glittering pages" (Janet Maslin, *The New York Times*): The first volume of the full-scale astonishing life of one of our greatest screen actresses; her work, her world, her Hollywood through an American century. Frank Capra called her, "The greatest emotional actress the screen has yet known." Now Victoria Wilson gives us the first volume of the rich, complex life of Barbara Stanwyck, an actress whose career in pictures spanned four decades beginning with the coming of sound (eighty-eight motion pictures) and lasted in television from its infancy in the 1950s through the 1980s. Here is Stanwyck revealed as the quintessential Brooklyn

girl whose family was in fact of old New England stock...her years in New York as a dancer and Broadway star...her fraught marriage to Frank Fay, Broadway genius...the adoption of a son, embattled from the outset...her partnership with Zeppo Marx (the “unfunny Marx brother”) who altered the course of Stanwyck’s movie career and with her created one of the finest horse breeding farms in the west...her fairytale romance and marriage to the younger Robert Taylor, America’s most sought-after male star... Here is the shaping of her career through 1940 with many of Hollywood's most important directors, among them Frank Capra, “Wild Bill” William Wellman, George Stevens, John Ford, King Vidor, Cecil B. Demille, Preston Sturges, set against the times—the Depression, the New Deal, the rise of the unions, the advent of World War II and a fast-changing, coming-of-age motion picture industry. And at the heart of the book, Stanwyck herself—her strengths, her fears, her frailties, losses, and desires—how she made use of the darkness in her soul, transforming herself from shunned outsider into one of Hollywood’s most revered screen actresses. Fifteen years in the making—and written with full access to Stanwyck’s family, friends, colleagues and never-before-seen letters, journals, and photographs. Wilson’s one-of-a-kind biography—“large, thrilling, and sensitive” (Michael Lindsay-Hogg, *Town & Country*)—is an “epic Hollywood narrative” (USA TODAY), “so readable, and as direct as its subject” (The New York Times). With 274 photographs, many published for the first time.

**Barbara's warning, by the author of 'Recommended to mercy', &c** Nov 19 2019

**Tree of Strangers** Apr 17 2022 "I live at the end of a gravel road at the top of a valley consumed by bush. My husband is here, and my three girls. But the bush swallows them up like the road.' I wrote those words at the kitchen table in 1983. A letter to the mother I'd never met. But how do you convey your life in a few sentences when almost every memory is missing?" Barbara Sumner grew up in a family filled with secrets and lies. At twenty-three she decided she had to find her mother. Remarkable, moving, beautifully written, *Tree of Strangers* is a ripping account of a search for identity in a country governed by adoption laws that deny the rights of the adopted person.

*Barbara's Heritage* Jul 08 2021 'Barbara's Heritage' is an adventure novel written by Deristhe L. Hoyt. The story follows Barbara and Bettina,—Bab and Betty, as they were called in their home,—twin daughters of Dr. Burnett. They were seventeen years old, and the eldest of a large family. The father, a great-hearted man, devoted to his noble profession, and generous of himself, his time, and money, had little to spare after the wants of his family had been supplied, and so his daughters set off to a trip to Italy to connect with their heritage.

*A Secret Wish (Wish Series #1)* Feb 03 2021 Three women, three birthdays and one unforgettable night that will change their lives forever. One night in San Francisco, three women make a birthday wish believing it can't possibly come true. Liz is turning thirty. A successful nurse, she has a good career, but no man to share her life. All her friends are married, and she's alone, still trying to outrun a tragedy from her past. Then she meets a handsome stranger. Carole, a corporate wife, is staring down forty candles. Having grown up poor, she worked hard to get ahead, but when her kids bail on her birthday, and she discovers her husband with another woman, she realizes that she may have nothing at all. She goes back to where it all began, the mother she left behind, and the man whose heart she once broke.

*Brave Like Me* Oct 31 2020 When someone is serving our country, far from home, everyone in their family has to be brave. Including -- and sometimes especially -- the kids. This book speaks to all kids in this situation in telling the story of a boy and a girl with parents away on duty. It captures the children's worries, fears, trials, and triumphs while waiting for their parents to return from service. Although the narrative tells one universal tale, the photographs depict multiple perspectives so that every reader has someone they can relate to. In the end, each child finds the strength and patience

to endure the wait, showing admirable bravery and inspiring us all. An afterword looks further at the meaning of bravery and offers resources for helping kids deal with transition, deployment, and separation.

**Italian Days** Dec 13 2021 The author recounts her travels in Italy, a trip that saw her search for family and discover the glories of Italy along the way

Daily Splashes of Joy Jan 02 2021 Open this book each morning, and let the "Queen of Encouragement" splash your day with joy. Acclaimed encourager Barbara Johnson has survived tragic adversity to become a merry missionary of mirth to those who need a little laughter in their lives—that is, to all of us! She knows firsthand how the smallest splash of joy can soothe broken hearts with the light of God's love. And she's seen how a simple message of hope uplifts a life that's left in tatters. In these pages you'll find a daily dollop of Barbara's favorite jokes, heartwarming stories, witty cartoons, and heartache-survival strategies. Share a moment each morning with the Geranium Lady, and soon you, like Barbara, will realize you've been "blessed to be a blessing."

Santa Barbara's Royal Presidio Feb 15 2022 Unique in California history—and beloved by visitors and residents alike—the city of Santa Barbara boasts three great historical properties: the Mission, the Courthouse, and the Presidio. Least known is the Presidio. This book corrects that vacuum, beginning with the story of its adobe construction between 1784 and 1790. This itself was preceded by the construction of three other Spanish forts: Monterey (1770), San Diego (1773), and San Francisco (1776). All four Presidios helped secure the Spanish settlement of Alta or Upper California, as the mixed-racial soldiers and their families became the first Spanish settlers of the region. The Santa Barbara Presidio was the last Spanish fort founded and built not only in California, but in all of Spanish North America, an area that, in its day, covered much of the southern portion of the modern United States from Florida to California. This book celebrates the Santa Barbara Presidio's place in not only American history but also that of Spain, and honors the community that came together to ensure its preservation and faithful reconstruction.

The Dark of Day Jul 28 2020 Miami's hard-partying culture is the backdrop for Parkers latest, a stand-alone featuring CJ Dunn, defense lawyer to the rich and famous. CJ knows a lot about partying, having done her share with boyfriend Billy Medina, who throws some of the classiest galas in town. When pretty Alana Martin disappears from one of them, Rick Slater, bodyguard-driver of a local politician, is tagged as the last to see her, and CJ, with a possible CNN gig to entice her, agrees to manage the fallout. Slater claims he is innocent, but as curious CJ investigates, she finds herself not only becoming more skeptical of her client but also recalling her own youthful mistakes. Parkers earlier novels, especially her Gail Connor series, have earned kudos, but this one is less successful. The multiple story threads mostly come together by the close, but not without some stretching, and the prose this time sometimes verges close to cliché. That said, Parker has her fans, and female lawyers are a hot commodity in the genre at the moment.

*The Final Days* Nov 24 2022 A revelation of Bill and Hillary Clinton's last days as the First Family discusses President Clinton's controversial pardons and his relationship with fugitive Marc Rich, and Hillary's solicitation of gifts and partaking of the White House china.

Bridge of Spies Feb 21 2020 The dramatic events behind the film *Bridge of Spies*. *Bridge of Spies* is a gripping, entertaining, hair-raising and comical story, which moves effortlessly from the hardware of high-flying planes and new missiles to the geopolitics of the nuclear stand-off and through the poignant personal stories of its central protagonists: Powers, the all-American hero, blacklisted for not having killed himself on his descent to earth; a KGB spy who has spent aimless and lonely years achieving nothing in the US; and the opposing leaders Khrushchev and Eisenhower, both trapped in a spiral of confrontation neither wants. Telling the true story that inspired Le Carré's famous scene, *Bridge of Spies* is a brilliant take on the absurdity and heroism of the Cold War days that will appeal to a new generation of readers unfamiliar with the history but drawn in by the compelling and vividly recreated narrative.

**The World is Waiting for You** Aug 21 2022 Simple text and colorful photography encourages children to explore the world beyond the surface.

**The House Without Windows** Jul 20 2022 'An enchanting book. These pages simply quiver with the beauty, happiness and vigour of forests, seas and mountains . . . I can safely promise joy to any reader of it. Perfection' Eleanor Farjeon, Winner of the Carnegie Medal and The Hans Christian Andersen Award Discover this extraordinary lost classic of nature writing - a fable about wildness and the desire to escape - beautifully illustrated by beloved artist and The Lost Words creator Jackie Morris 'Miraculous - a fearless odyssey into a dreamtime of wildness and enchantment. Gloriously illuminated by Jackie Morris's moving art, this is a work of strange power for our own bewildered times' Nick Drake Little Eepersip doesn't want to live in a house with doors and windows and a roof, so she runs away to live in the wild - first in the Meadow, then by the Sea, and finally in the Mountain. Her heartbroken parents follow her at first, bringing her back home to 'safety' and locking her up in the stifling square of the house. But she slips away once more, following her wild heart out of the door and far away... Barbara Newhall Follett was just thirteen years old when she published *The House Without Windows* in 1927. The book went on to become a million-copy bestseller. Years later, as an adult herself, Barbara followed in the footsteps of her radical heroine - dissatisfied with the limitations of life as a respectable married woman, she walked out of her house one day and simply disappeared. Penguin are delighted to republish Barbara Newhall Follett's extraordinary feminist fable for the next generation of nature lovers and escapees to discover and cherish. Newly introduced by Jackie Morris, and filled with her beautifully inked artwork, *The House Without Windows* is an irresistible paean to the natural world and its transcendent effect on the human heart. 'A classic, as miraculous and awe-inspiring as the nine-year-old author. Jackie Morris portrays the artistic elegance of the eastern ink with the wisdom of the West' Xinran, author of *The Good Women of China* Praise for *The Lost Words* 'Breathtaking . . . Jackie Morris has created something that you could spend all day looking at' *New Statesman* 'Luminous' *Sunday Times* 'Sumptuous . . . A book combining meticulous wordcraft with exquisite illustrations deftly restores language describing the natural world to the children's lexicon...*The Lost Words* is a beautiful book and an important one' *Observer*

*Italian Days* Oct 23 2022 *Italian Days* is one of the richest and most absorbing travel books written—a journey that traverses the Italian peninsula and immerses readers in a culture which provides the reader with a definition of the good life.

*Barbara Throws a Wobbler* Mar 16 2022 Barbara is in a very bad mood. She won't admit it, but she is. She has a problem with a sock, and at lunchtime there's a strange pea... And even though she's at the park with her friends, it all just gets a bit much. Suddenly Barbara's WOBBLER is out of control! But what if Barbara and her Wobbler can work together, so she can be cheerful again? A brilliantly funny and sensitive way to understand and deal with tantrums. "These are the most brilliant, beautiful and silly picture-books out there at the moment. Little doorways of joy." Caitlin Moran *Cottage life: or, Tales at dame Barbara's tea-table* Mar 24 2020

**Days of the Dead** Nov 12 2021 The New York Times hails Barbara Hambly's novels featuring Benjamin January as "masterly," "ravishing," and "haunting." The Chicago Tribune crowns them "dazzling...January is a wonderfully rich and complex character." Now the bestselling author returns with a story that leads January from the dangerously sensual milieu of New Orleans into a world seething with superstition and dark spirits, where one man's freedom turns on a case of murder and blood vengeance. Days of the Dead Mexico City in the autumn of 1835 is a lawless place, teeming with bandits and beggars. But an urgent letter from a desperate friend draws Benjamin January and his new bride Rose from New Orleans to this newly free province. Here they pray they'll find Hannibal Sefton alive--and not hanging from the end of a rope.Sefton stands accused of murdering the only son of prominent landowner Don Prospero de Castellon. But when Benjamin and Rose arrive at Hacienda Mictlán, they encounter a murky tangle of family relations, and more than one suspect in young Fernando's murder. While the evidence against Hannibal is damning, Benjamin is certain that his consumptive, peace-loving fellow musician isn't capable of murder. Their only allies are the dead boy's half sister, who happens to be Hannibal's latest inamorata, and the mentally unstable Castellon himself, who awaits Mexico's holy Days of the Dead, when he believes his slain son will himself reveal the identity of his killer.The search for the truth will lead Benjamin and Rose down a path that winds from the mazes of the capital's back streets and barrios to the legendary pyramids of Mictlán and, finally, to a place where spirits walk and the dead cry out for justice. But before they can lay to rest the ghosts of the past, Benjamin and Rose will have to stop a flesh-and-blood murderer who's determined to escape the day of reckoning and add Benjamin and Rose to the swelling ranks of the dead.
