Scientists have concluded that 90 percent of men shave at least once a day. That works out at a colossal twenty thousand shaves, or five months in front of the mirror, in a lifetime. Yet how many men have ever been given any advice or shown how best to shave? Here to fill that gaping hole is an indispensable guide to the ultimate shave. Shaving shouldn't be a chore, but a pleasure, and Sharp Practice will tell you how. Rich in the (sometimes strange) history of shaving, full of anecdotes and packed with tips and advice, Sharp Practice will revolutionize your morning ritual. Here you will find advice on avoiding common mistakes, preventing rashes and cuts, what aftershave to

use and how to handle a cut-throat razor, as well as everyday tips and the ultimate luxury shave. You will also learn about Che Guevara's beard, Ivan the Terrible's idea of fun, Alexander the Great and the severed head, and how cavemen invented the razor. Super-stylish, funny and practical, this is a must-have for all well-groomed men everywhere, and the perfect present for any young man beginning to shave for the first time. The

Bearded Gentleman is an authoritative yet lighthearted guide that offers detailed information on some fifty specific facial hair styles: where they come from, how to grow them, and how to maintain them. Among them are many well-known styles, such as the Handlebar, the Fu Manchu, the Goatee, the Van Dyck, and the more recent Soul Patch. But there are also those that are less familiar, including the Horseshoe, the Lampshade, the Painter's Brush, the Landing Strip, the French Fork, and El Insecto (a.k.a. the Mighty). There's also practical advice on choosing a facial hair style that's right for you, as well as insight into how facial hair has figured in the history of masculinity, including its impact on politics, class, and sexuality. The Bearded Gentleman is an entertaining, witty, and useful guide to facial hair styles and the men who wear them. Allan Peterkin's previous books include One Thousand Beards: A Cultural History of Facial Hair, featured in Time, Esquire, and The New Yorker. Nick Burns is one of the leading writers on men's grooming; he has covered skin care, fashion, and health for publications including The New York Times, GQ, Details, and Out, and he is author of the popular men's style blog HommeGrooming.com. This book examines what all the parties involved require from a patent including the authorities that grant patents and the courts that examine them. Each part of the patent application is reviewed in detail, explaining how it can best be written. Key rules for effective drafting are pinpointed and examples are used throughout to make the issues clear. Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
