**Aristotele dedica al piacere una ricerca costante che spazia, senza soste, dalle prime opere "essoteriche" alle ultime. Attraverso un costante affinamento problematico, e approfondendo la tematica con estremo rigore, finì con l'inventariarne scientificamente ogni manifestazione. Nulla sfugge a questa straordinaria enciclopedia: il piacere della vita sociale e quello della politica, il piacere del possesso dei beni materiali, il piacere come orizzonte etico e come aspirazione al divino, il piacere fisico e corporale, e quello più alto determinato dalla vita spirituale, e naturalmente il piacere erotico (e sessuale: maschile e femminile, eteroed omosessuale) e il piacere estetico. Insomma, la più completa antropologia del piacere elaborata dal mondo occidentale, che ha esercitato un potente influsso nel grandioso tentativo aristotelico di dare un senso alle cose, all'uomo, a Dio. Modello insuperato, col quale tutte le epoche successive hanno dovuto confrontarsi. Originally published in 1889, this work's protagonist Andrea Sperelli introduced the Italian culture to aestheticism and a taste for decadence. The young count seeks beauty, despises the bourgeois world, and rejects the basic rules of morality and social interaction. His corruption is evident in his sadistic superimposing of two women. These volumes chart the fundamental - methodological and analytical - change in economics that arose in the second half of the nineteenth century. The main characteristics of this change included an increasing reliance on mathematical methods, a revolution in the theory of value, and the rise of general equilibrium theory. This collection traces this long revolution over a fifty-year period for the first time, from William Stanley Jevons' *The Theory of Political Economy* (1871), to Eugen Slutsky's *On the Theory of the Budget of the Consumer* (1915). This in-between (short) novella follows *The Playboy Prince*. It will detail a royal wedding and preview what is to come with the Piacere family in the follow up, *The Dutiful Prince* (January 2017).
