Sending an SOS when it comes to ROIs? Help is on the way . . . UNDERSTANDING RETURN ON INVESTMENT Return on investment (ROI) plays a major role in business, but it can be a difficult concept to grasp. Understanding Return on Investment shows you how to better utilize this essential tool by simplifying and clarifying all its important points. This invaluable guide includes information on: \* The effect of ROI on investment and disinvestment decisions \* The various forms of ROI and how they provide different measures for evaluating investment activities \* The relationship of ROI to ROE (return on equity) \* The use of ROI in evaluating investment centers in a decentralized operation \* How ROI is used to evaluate managers \* The use of weighted average cost of capital (WACC) in making investment decisions If you use ROI, but are confused or unclear about some of its details, you'll definitely profit from Understanding Return on Investment, a complete guide to this all-important performance indicator. In 2017, twenty-five years after its initial release, a new season of Twin Peaks shook the world of television. This new book is a detailed analysis of the third season of the television series and aims to elucidate some of the meanings of Twin Peaks: The Return and explain these in terms of philosophical, mythological and spiritual approaches. It focuses on the third season of Twin Peaks but also refers to the first two seasons, and to the film, Fire Walk with Me. Divided into three sections, the book first examines the third season as expanded storytelling through the lens of Gene Youngblood's theory of synesthetic cinema, intertextuality, integrationist, and segregationist approaches in the realm of fiction, and focuses on the role of audio and visual superimpositions in The Return. It goes on to question the nature of the reality depicted in the seasons via scientific approaches, such as electromagnetism, time theory, and multiverses. The third and final section aims to transcend this vision by exploring the role of theosophy, the occult, and other spiritual sources. The author's focus on the role of spirituality and science in Twin Peaks is what distinguishes this book from other works on the famous television series. The work of a scholar who is also a fan, the book should appeal to any hard-core Twin Peaks viewer.

Foreword by Matt Zoller Seitz, editor-at-large at RogerEbert.com, and the television critic for New York magazine. This will be essential reading for fans of Twin Peaks and academics writing about it. Also of interest for students with an interest in philosophy, religion, science or spiritualism in visual and popular culture. A collection of short stories told by wives, husbands, sons, daughters, lovers and strangers. There are star-crossed travellers who take each other's bags by mistake, only to learn that when you unlock a stranger's suitcase you enter a stranger's life; the house-sitter who moves into her client's life as well as her home; a holiday for four in Greece which has surprising consequences; and the chance encounter at an airport which brings together an unlikely group of people. 583 583. A new instalment and standalone adventure charting series protagonist Jack Fletcher's return to pre-civil war England. His quest: to find his missing sister, with the help of some familiar faces... In this book, Pascal Costantini gives a lively and wonderfully readable account of ten years of efforts by a small group of investment analysts to find a reliable, practical and implementable method for valuing and selecting shares. The result of their effort is an original investment methodology called CROCI (Cash Return on Capital Invested), best described as a variation of the economic profit model. For over a decade now, Costantini's group at Deutsche Bank has been using this valuation tool every time it has had to take a view on the pricing of an equity asset, be it a market, a sector or an individual share in other words, every single working day, since it is this group's job to advise institutional investors on equity valuation. Costantini describes in detail, accompanied by concrete examples in the form of charts and graphs, the precise investment results of the actual implementation of the CROCI approach in the global equity markets since 1996. Readers will enjoy taking this journey with Costantini to see how and why the model was developed, assess the results of ten years of actual implementation and measure the successes of using this model in stock picking and portfolio construction. This book will also make it easy for them to see how the CROCI approach can be used successfully by others now and in the future. The book is divided into four parts. The first part is a review and discussion of the fundamentals of investment analysis. The second part is dedicated to the construction of economic data, with the sole objective of calculating an economically meaningful asset multiple and relative return, the combination of which gives an economic PE ratio, the authors' main stock selection tool. While the economic profit model is not exactly new, it is still largely ignored by the investment community. In essence, it does three things: it calculates the real amount of cash, or value created by a business; it compares the market value of an asset to an approximation of its replacement value; and it assumes that the former will converge to the latter through the arbitrage of investors and capital providers. The third part is dedicated to the analysis of economic data, and the last part deals with the actual implementation of the CROCI economic profit model, including real life examples. This final part also discusses how to use the output of the CROCI model with individual stocks, and then with investment portfolios. \*Techniques are based on the author's performance record at Deutsche Bank since 1996 \*Based on almost ten years of proprietary knowledge and implementation of these techniques \*Factual illustrations of the results of the valuation techniques are provided at each step \*Techniques are based on the author's performance record at Deutsche Bank since 1996 \*Based on almost ten years of proprietary knowledge and implementation of these techniques \*Factual illustrations of the results of the valuation techniques are provided at each step Winner, 2020 Isaac and Tamara Deutscher Memorial Prize A fascinating reinterpretation of the radical and socialist origins of ecology Twenty years ago, John Bellamy Foster's *Marx's Ecology: Materialism and Nature* introduced a new understanding of Karl Marx's revolutionary ecological materialism. More than simply a study of Marx, it commenced an intellectual and social history, encompassing thinkers from Epicurus to Darwin, who developed materialist and ecological ideas. Now, with *The Return of Nature: Socialism and Ecology*, Foster continues this narrative. In so doing, he uncovers a long history of efforts to unite issues of social justice and environmental sustainability that will help us comprehend and counter today's unprecedented planetary emergencies. *The Return of Nature* begins with the deaths of Darwin (1882) and Marx (1883) and moves on until the rise of the ecological age in the 1960s and 1970s. Foster explores how socialist analysts and materialist scientists of various stamps, first in Britain, then the United States, from William Morris and Frederick Engels to Joseph Needham, Rachel Carson, and Stephen J. Gould, sought to develop a dialectical naturalism, rooted in a critique of capitalism. In the process, he delivers a far-reaching and fascinating reinterpretation of the radical and socialist origins of ecology. Ultimately, what this book asks for is nothing short of revolution: a long, ecological revolution, aimed at making peace with the planet while meeting collective human needs. Third book in a wordless trilogy that began with *Journey*. Series and the final part of a three-fold project organized by BAK under same title, in which the popular assumption of the return of religion to the field of artistic practice and its discourses, the public sphere, contemporary politics, and media in the West is interrogated as a constitutive "myth" of our current condition. Through a wide-ranging selection of texts, a group of artists, art historians and theorists, scholars of religion, and sociologists unpack the historical underpinnings of religion's so-called "return", art's long-standing relationship with iconoclasm and connection to religious representation, the manipulation of certain religious imagery in the mass media, and contemporary art's potential to complicate and problematize commonly-held beliefs about the role and potential of the image in today's world. In *A Prodigal Return: Reflections of a Grateful Heart*, you will be encouraged in your walk with God. Ken Jones shares intimately from his own experiences, from his struggle as an alcoholic to his days working as a counselor for troubled kids. Personally familiar with God's forgiveness and compassion, he passionately expresses what God has shown him. If you've ever thought, I'm a Christian. Now what? these devotions will speak to your heart and inspire you to greater faith.

Ken Jones gives faith-building suggestions that are touching and humorous. A Prodigal Return shows that God always welcomes the prodigal. If you're seeking to draw closer to God, A Prodigal Return will help you on your path to greater commitment. You no longer have to struggle alone. These devotions will guide you on your daily journey. Sheriff Spencer Arrowood keeps the peace in his small Tennessee town most of the time. Every once in a while, though, something goes wrong. When 1960s folksinger Peggy Muryan moves to town seeking solitude and a career comeback, and she receives a postcard with a threatening message, her idyll is shattered. Then a local girl who looks like Peggy vanishes without a trace. Although she was once famous, Peggy has no fondness for the old times. Those days are best left forgotten for Spencer Arrowood, too. But sometimes the past can't rest, and those who try to forget it are doomed to relive it.... ★★★ Do you want to learn > how to RETURN a KINDLE UNLIMITED BOOK in 3 steps? ★★★ In this book, I am going to show you exactly how you can Return a Borrowed Kindle Unlimited Book in three easy steps. When I first joined Amazon's Kindle Unlimited monthly subscription service, returning a book was one task I found particularly unintuitive. I could remember finishing my first Kindle Unlimited and tapping all over every button in the website in a bid to get the darned thing returned. It wasn't until I hit the ten-book limit that my Kindle actually offered me a prompt on-device to return one. So, this book is here to easily guide you on how to return your books without hassle in just three simple steps. Don't wait any longer! Scroll up and click the BUY NOW button to begin the journey to the body of your dreams! Published in association with Africa Information Service. Revised and updated, this fifteenth anniversary edition of A Return to Modesty reignites Wendy Shalit's controversial claim that we have lost our respect for an essential virtue: modesty. When A Return to Modesty was first published in 1999, its argument launched a worldwide discussion about the possibility of innocence and romantic idealism. Wendy Shalit was the first to systematically critique the "hook-up" scene and outline the harms of making sexuality so public. Today, with social media increasingly blurring the line between public and private life, and with child exploitation on the rise, the concept of modesty is more relevant than ever. Updated with a new preface that addresses the unique problems facing society now, A Return to Modesty shows why "the lost virtue" of modesty is not a hang-up that we should set out to cure, but rather a wonderful instinct to be celebrated. A Return to Modesty is a deeply personal account as well as a fascinating intellectual exploration into everything from seventeenth-century manners to the 1948 tune "Baby, It's Cold Outside." Beholden neither to social conservatives nor to feminists, Shalit reminds us that modesty is not prudery, but a natural instinct—and one that may be able to save us from ourselves. An array of new archaeological finds and revealing discoveries in the ancient city hidden beneath Jerusalem lead to a stunning conclusion: The generation alive today will witness the return of Christ. The evidence—uncovered by prophecy expert Grant R. Jeffrey—is breathtaking: Jewish authorities are preparing to rebuild the Temple in Jerusalem. Quietly they have recovered lost artifacts from the ancient Temple and have recreated sacred worship vessels. The new Sanhedrin, now reconvened in Israel, is training Levite priests to reinstitute animal sacrifice. These remarkable developments have far-reaching prophetic significance. In this book you will examine the biblical prophecies and research data that together solve end-times mysteries, including: ·The search for lost Temple treasures ·Revealing discoveries in underground Jerusalem ·The process of recreating sacred Temple vessels ·Unexpected clues revealed in the Copper Scroll and the Ezekiel Tablets ·The latest plans for rebuilding the Temple Join Dr. Jeffrey as he uncovers answers to questions that have perplexed students of prophecy for centuries. Answers that point to the unmistakable conclusion that this is truly the last generation. When their son Jacob, who died tragically at his eighth birthday party in 1966, arrives on their doorstep, still eight years old, Harold and Lucille Hargrave must navigate a strange new reality as chaos erupts around the world as people's loved ones are returned from beyond. A Map to the Door of No Return is a timely book that explores the relevance and nature of identity and belonging in a culturally diverse and rapidly changing world. It is an insightful, sensitive and poetic book of discovery. Drawing on cartography, travels, narratives of childhood in the Caribbean, journeys across the Canadian landscape, African ancestry, histories, politics, philosophies and literature, Dionne Brand sketches the shifting borders of home and nation, the connection to place in Canada and the world beyond. The title, A Map to the Door of No Return, refers to both a place in imagination and a point in history—the Middle Passage. The quest for identity and place has profound meaning and resonance in an age of heterogenous identities. In this exquisitely written and thought-provoking new work, Dionne Brand creates a map of her own art. The epic space saga, Star Wars: Return of the Jedi, is finally retold in the iconic Little Golden Book format! Luke Skywalker heads a mission to rescue Han Solo from the clutches of Jabba the Hutt, and faces Darth Vader one last time. Featuring stunning retro illustrations, this book is perfect for Star Wars—and Little Golden Book—fans of all ages! With the success of Gladiator, both critics and scholars enthusiastically announced the return of a genre which had lain dormant for thirty years. However, this return raises important new questions which remain unanswered. Why did the epic come back, and why did it fall out of fashion? Are these the same kinds of epics as the 1950s and 60s, or are there aesthetic differences? Can we treat Kingdom of Heaven, 300 and Thor indiscriminately as one genre? Are non-Western histories like Hero and Mongol epics, too? Finally, what precisely do we mean when we talk about the return of the epic film, and why are they back? The Return of the Epic Film offers a fresh way of thinking about a body of films which has dominated our screens for a decade. With contributions from top scholars in the field, the collection adopts a range of interdisciplinary perspectives to explore the epic film in the twenty-first century. This comprehensive reference delivers a toolkit for harvesting market

rewards from a wide range of investments. Written by a world-renowned industry expert, the reference discusses how to forecast returns under different parameters. Expected returns of major asset classes, investment strategies, and the effects of underlying risk factors such as growth, inflation, liquidity, and different risk perspectives, are also explained. Judging expected returns requires balancing historical returns with both theoretical considerations and current market conditions. Expected Returns provides extensive empirical evidence, surveys of risk-based and behavioral theories, and practical insights. The Return of the Native is Thomas Hardy's sixth published novel. It first appeared in the magazine *Belgravia*, a publication known for its sensationalism, and was presented in twelve monthly installments from January to December 1878. Because of the novel's controversial themes, Hardy had some difficulty finding a publisher; reviews, however, though somewhat mixed, were generally positive. In the twentieth century, *The Return of the Native* became one of Hardy's most popular novels. Her best friend disappeared. A stranger came back. SEX AND THE CITY MEETS STEPHEN KING'S THE SHINING IN THIS CHILLING DEBUT Julie is missing, and no one believes she will ever return-except Elise. Elise knows Julie better than anyone. She feels it in her bones that her best friend is out there and that one day Julie will come back. She's right. Two years to the day that Julie went missing, she reappears with no memory of where she's been or what happened to her. Along with Molly and Mae, their two close friends from college, the women decide to reunite at a remote inn. But the second Elise sees Julie, she knows something is wrong-she's emaciated, with sallowness and odd appetites. And as the weekend unfurls, it becomes impossible to deny that the Julie who vanished two years ago is not the same Julie who came back. But then who-or what-is she? An eerie storm of a debut that fuses thriller and horror into a brilliant depiction of women's friendships - the rivalries, jealousies, anxieties and love. Praise for THE RETURN 'The Return expertly treads the fine line between thriller and horror. It's as deliciously creepy as opening up a box of candy-coated spiders-and eating them all in one sitting' Christina Dalcher, bestselling author of *Vox* 'Combining suspense and horror with razor-sharp insights into the nature of female friendships, Rachel Harrison's *The Return* is a creepy, nerve-wracking, page-turning addition to the emerging field of horror thrillers' Alma Katsu, award-winning author of *The Hunger* 'The Return is moving and terrifying in equal measure. A brilliant rumination on friendship, pain, and the myriad of unsuccessful ways we all try to run from our past and fill the holes in our hearts. Harrison's keen prose won't let you go. Be warned, you'll double check the locks on your doors before you try to sleep' Mallory O'Meara, author of *The Lady from the Black Lagoon* 'By turns scary and funny, horrifying and real, *The Return* is impossible to put down. It takes an honest, scathing look at female friendship while at the same time pulling the reader into a perfect nightmare of a story' Simone St. James, bestselling author of *The Sun Down Motel* 'The Return is supernatural horror at its very best! Sharp dialogue, complex relationships and mind-bending action will have readers locking their doors and checking under their beds. Rachel Harrison has reinvented this genre and will surely be hailed as a pioneer among her peers' Wendy Walker, bestselling author of *The Night Before* 'Hair-raising horror and pure entertainment in Harrison's compulsively readable debut . . . The tension and nuance of Harrison's complicated female friendships add depth to an already delicious, chilling debut' Publishers Weekly 'Fusing horror and thriller together, it's an unsettling tale of rivalry, envy, fear, friendship and love' Culturefly's Books of 2020 Globalisation and social transformation theorists have paid significantly less attention to the movement of people than they have to the movement of capital. This book redresses the balance and provides timely insights into recent developments in return skilled migration in four regions in the Asia Pacific - Bangladesh, China, Taiwan and Vietnam. The authors believe that the movement of skilled migrants, and the tacit knowledge they bring with them, is a vital component in the process of globalisation. The authors examine the patterns and processes of return migration and the impacts it can have on migrants, their families and communities (including gender relations), as well as the effects on both the original source country and the host country. They highlight the many considerations which can influence the decision to return home, including social factors, career-related prospects, and the economic and political environment. Government policies in facilitating return migration through the promotion of entrepreneurship, education and training can also play a crucial role. In the long term, fears of a 'brain drain', under certain circumstances, may be replaced by the prospect of a 'brain gain' or 'global brain circulation', where emigration and immigration (or return migration) co-exist and are supplemented by short-term circulatory movements as a country becomes more integrated into the global economy. This is a pioneering comparative study of return migration in the Asia Pacific based on original primary data. Researchers, academics and students interested in migration, globalisation, demography and social transformation will find this a valuable and highly rewarding book. This volume combines literary analysis and theoretical approaches to mobility, diasporic identities and the construction of space to explore the different ways in which the notion of return shapes contemporary ethnic writing such as fiction, ethnography, memoir, and film. Through a wide variety of ethnic experiences ranging from the Transatlantic, Asian American, Latino/a and Caribbean alongside their corresponding forms of displacement - political exile, war trauma, and economic migration - the essays in this collection connect the intimate experience of the returning subject to multiple locations, historical experiences, inter-subjective relations, and cultural interactions. They challenge the idea of the narrative of return as a journey back to the untouched roots and home that the ethnic subject left behind. Their diacritical approach combines, on the one hand, a sensitivity to the context and structural elements of modern diaspora; and on the other, an analysis of the individual psychological processes inherent to the experience of displacement and return such as nostalgia, memory and belonging. In the

narratives of return analyzed in this volume, space and identity are never static or easily definable; rather, they are in-process and subject to change as they are always entangled in the historical and inter-subjective relations ensuing from displacement and mobility. This book will interest students and scholars who wish to further explore the role of American literature within current debates on globalization, migration, and ethnicity. A young woman gets on the bus and rides out of the big city. She arrives in the countryside, where she is as big as a giant, looming over a tiny house, a garden and her tiny grandmother. The cabbages and the apple trees are far below. Her grandmother smiles up at her in her yellow hat. The young woman bends down to give her little grandmother a big kiss, and then she smells her grandmother's cooking. She has returned home. When they sit down at the table, the young woman has shrunk to a child-like size, and the two share a meal together in the garden. In this gentle, wordless story Natalia Chernysheva beautifully captures the feelings of coming home to comfort and memories and of returning to our childlike selves. In post-World War II Vienna, a group of people return home 15 years after being exiled by Hitler's deadly reign and must rebuild their lives and relearn their identities while the city does the same. 40,000 first printing. Sunday dinner is more than just a meal - it's a time for food, fellowship, and the creation of long-lasting memories! Americans will be inspired to rekindle the tradition of hospitality among family and friends with this mouthwatering culinary collection, designed for any cook with basic kitchen resources. Russell Cronkhite, former executive chef of the Blair House - the presidential guest house - has served three U.S. presidents and nearly every major world leader. A Return to Sunday Dinner includes twenty complete menus (with over 100 recipes) that highlight regional influences on cookery and explore the rich spiritual heritage of the American family. 13 Tales of Mystery & Suspense—Including the Incredible Story of Sherlock Holmes's Return from the Dead This Top Five Classics edition of Sir Arthur Conan Doyle's *The Return of Sherlock Holmes* features: • All 95 Strand illustrations by Sidney Paget—his final drawings of Sherlock Holmes • An additional 13 illustrations by Frederick Dorr Steele, created for *Collier's* magazine • A helpful introduction, author bio, and bibliography The return of Sherlock Holmes, 10 years after his "death" at the hands of Professor Moriarty, was one of the most hotly anticipated events of the new century in 1903. Arthur Conan Doyle had teased his loyal fans with his 1902 novel *The Hound of the Baskervilles*, a story that took place two years before Holmes plummeted into the Reichenbach Falls. With "The Empty House," the first story in this collection, Dr. Watson and the world finally learned how Holmes cheated the Grim Reaper and feigned mortality for three years—as he tidies up one last loose end in his battle against Moriarty's criminal apparatus. The Return of Sherlock Holmes finds Conan Doyle at the height of his creative powers, producing 13 of his finest mysteries for the inimitable Holmes to solve. No Sherlock Holmes collection would be complete without it. WINNER OF THE PULITZER PRIZE IN BIOGRAPHY WINNER OF THE RATHBONES FOLIO PRIZE SHORTLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION SHORTLISTED FOR THE COSTA BIOGRAPHY AWARD SHORTLISTED FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD FOR AUTOBIOGRAPHY WINNER OF THE SLIGHTLY FOXED BEST FIRST BIOGRAPHY PRIZE ONE OF THE NEW YORK TIMES' TOP 10 BOOKS OF 2016 The Return is at once a universal and an intensely personal tale. It is an exquisite meditation on how history and politics can bear down on an individual life. And yet Hisham Matar's memoir isn't just about the burden of the past, but the consolation of love, literature and art. It is the story of what it is to be human. Hisham Matar was nineteen when his father was kidnapped and taken to prison in Libya. He would never see him again. Twenty-two years later, the fall of Gaddafi meant he was finally able to return to his homeland. In this moving memoir, the author takes us on an illuminating journey, both physical and psychological; a journey to find his father and rediscover his country. 'A beautifully-written memoir that skillfully balances a graceful guide through Libya's recent history with the author's dogged quest to find his father' Barack Obama Experience eternity. Today. During His life and ministry, Christ assured the apostles that He would one day return for His people. But how should this future event affect our lives today? In Paul's letter to the Thessalonians, he reveals that the promise of Christ's return is more than a doctrine of our faith. It is a remarkable truth that can shape how we live, how we connect, and how we view ministry. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, *Be Ready* has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe balances the prophetic with the practical, and shares how Christ's powerful promise can impact every aspect of life. So be encouraged. Be revived. And Be Ready. Writing her first novel during World War I, West examines the relationship between three women and a soldier suffering from shell-shock. This novel of an enclosed world invaded by public events also embodies in its characters the shifts in England's class structures at the beginning of the twentieth century. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. "The Return of the Native" revolves around a young girl named Eustacia Vye, a beautiful foreigner who had to struggle through out her life to achieve her will. It is the story of the character's struggle against fate. The narrative is about characters that live in harmony with nature or completely fail to do so. Captivating! "I do not organise the ticket queue, it is up to the people in the ticket queue to organise themselves. Have I made myself clear?" Finalist for the Susan Smith Blackburn Prize 2022 One final night. One last chance. Five people queue for a ticket to the hottest show in town. All

they must do is simply wait in line. But what in life is ever simple? Who will triumph, who will fail, and who will walk away with... The Last Return? A new play by acclaimed playwright Sonya Kelly (Once Upon a Bridge, Furniture), The Last Return is a thrilling comedy about conflict, peace and the pursuit of territory at any cost. This edition was published to coincide with the premiere by Druid Theatre, Galway, in July 2022.
