Sample Book Insights: #1 I hate reading long things. If you're not interested in reading my entire guide on the different types of RVs, skip to the bottom to see my pick for each category. -> There are three types of RVs: motorhomes, trailers, and campers. Within these types, there are many different options. Before you go shopping, let's go over the different features of each. #2 Class A RVs offer the most space, but they also come with the highest initial cost. #3 Class A RVs offer the most space, but they also come with the highest initial cost. Class C RVs offer the most space for the least amount of money. Class C's are great for fast or moderate-paced travel, regardless of gas mileage. #4 Class B's are smaller than A's and C's, offer the least amount of space for the most money, and are often as expensive as C's. They are not as beautiful nor as well-equipped as Class A or C RVs. Not every guitar you hold in your hands will give you the perfect feel you are looking for.
