This insightful and comprehensive study demonstrates how, as Ontario society became secularized and pluralistic, so too did universities. Today, religion is again studied in university classrooms but as "religious studies," a relatively new field that reflects the religiously pluralistic nature of Ontario and the world-wide explosion of knowledge. This authoritative volume will be of interest to students of religion in and outside academic circles, to administrators of academic institutions and

granting agencies and to persons wanting to know more about the social and cultural changes that have transformed Ontario and Canadian society. A collection of essays by distinguished scholars in the academic study of religion, The Craft of Religious Studies represents the variety of research and analytical methods that researchers employ when examining religious phenomena, whether personally or socially expressed. Autobiographical in cast, this collection points to diversity of approaches in the academic study of religion and highlights the interdisciplinary nature of the field. While the ways scholars approach the study of religion in human culture vary, the common ground among them - as seen in these fourteen contributions - remains their quest for understanding more so than the paths toward understanding they have chosen.
