After living in a corrupt, totalitarian regime in which you are denied the very basic individual rights of freedom- to speak without

*censorship, to worship without intimidation, to read books you want and meet friends without fear of being spied or reported on, to grow professionally without shameful compromises, to get a passport without the humiliation of having to bribe a corrupt official—when all of these become unbearable, fleeing is one of the very few options; no certain destination, no one waiting for you, yet the only way you can save your sanity, dignity, and integrity. This is a personal account of a long journey from total desperation, through life and near-death events, to safety, hope, and freedom, and I hope that, as crude and unhindered this story is, it is also highly entertaining.
