Up from Slavery Nov 08 2021 Delve into the turbulent roots of race relations in the United States with this inspirational account from Booker T. Washington, a one-time slave who became an important advocate for African-American education and founded several well-known institutions of higher learning, including the Tuskegee Institute in Alabama. Up From Slavery details Washington's life and outlines his sometimes-controversial views on education, social justice, and racial equality.

*Sundown Towns* Mar 20 2020 "Powerful and important . . . an instant classic." —The Washington Post Book World The award-winning look at an ugly aspect of American racism by the bestselling author of *Lies My Teacher Told Me*, reissued with a new preface by the author In this groundbreaking work, sociologist James W. Loewen, author of the classic bestseller *Lies My Teacher Told Me*, brings to light decades of hidden racial

exclusion in America. In a provocative, sweeping analysis of American residential patterns, Loewen uncovers the thousands of "sundown towns"—almost exclusively white towns where it was an unspoken rule that blacks weren't welcome—that cropped up throughout the twentieth century, most of them located outside of the South. Written with Loewen's trademark honesty and thoroughness, *Sundown Towns* won the Gustavus Myers Outstanding Book Award, received starred reviews in *Publishers Weekly* and *Booklist*, and launched a nationwide online effort to track down and catalog sundown towns across America. In a new preface, Loewen puts this history in the context of current controversies around white supremacy and the Black Lives Matter movement. He revisits sundown towns and finds the number way down, but with notable exceptions in exclusive all-white suburbs such as Kenilworth, Illinois, which as of 2010 had not a single black household. And, although many former sundown towns are now integrated, they often face "second-generation sundown town issues," such as in Ferguson, Missouri, a former sundown town that is now majority black, but with a majority-white police force.

**The Deacons for Defense** Feb 28 2021 In 1964 a small group of African American men in Jonesboro, Louisiana, defied the nonviolence policy of the mainstream civil rights movement and formed an armed self-defense organization--the Deacons for Defense and Justice--to protect movement workers fr

*The Yellow Wallpaper* Jul 24 2020 This short story is regarded as an important early work

of American feminist literature, due to its illustration of the attitudes towards mental and physical health of women in the 19th century. Narrated in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is encouraged to eat well and get plenty of air, so she can recuperate from what he calls a "temporary nervous depression – a slight hysterical tendency", a diagnosis common to women during that period.

*The Freedom Schools* Nov 20 2022 Created in 1964 as part of the Mississippi Freedom Summer, the Mississippi Freedom Schools were launched by educators and activists to provide an alternative education for African American students that would facilitate student activism and participatory democracy. The schools, as Jon N. Hale demonstrates, had a crucial role in the civil rights movement and a major impact on the development of progressive education throughout the nation. Designed and run by African American and white educators and activists, the Freedom Schools counteracted segregationist policies that inhibited opportunities for black youth. Providing high-quality, progressive education that addressed issues of social justice, the schools prepared African American students to fight for freedom on all fronts. Forming a political network, the Freedom Schools taught students how, when, and where to engage politically, shaping activists who trained others to

challenge inequality. Based on dozens of first-time interviews with former Freedom School students and teachers and on rich archival materials, this remarkable social history of the Mississippi Freedom Schools is told from the perspective of those frequently left out of civil rights narratives that focus on national leadership or college protestors. Hale reveals the role that school-age students played in the civil rights movement and the crucial contribution made by grassroots activists on the local level. He also examines the challenges confronted by Freedom School activists and teachers, such as intimidation by racist Mississippians and race relations between blacks and whites within the schools. In tracing the stories of Freedom School students into adulthood, this book reveals the ways in which these individuals turned training into decades of activism. Former students and teachers speak eloquently about the principles that informed their practice and the influence that the Freedom School curriculum has had on education. They also offer key strategies for further integrating the American school system and politically engaging today's youth.

**Jonathan Livingston Seagull** Jul 16 2022 "Includes the rediscovered part four"--Cover.

**No Country for Old Men** Dec 29 2020 Adapted by the Coen Brothers into an Academy Award winning film, *No Country For Old Men* is a dark and suspenseful novel from Cormac McCarthy, author of *The Road*. Llewelyn Moss, hunting antelope near the Rio Grande, stumbles upon a transaction gone horribly wrong. Finding bullet-ridden bodies, several kilos of heroin, and a caseload of cash, he faces a choice – leave the scene as he

found it, or cut the money and run. Choosing the latter, he knows, will change everything. And so begins a terrifying chain of events, in which each participant seems determined to answer the question that one asks another: how does a man decide in what order to abandon his life? This edition is part of the Picador Collection, a new list of the best in contemporary literature published in Picador's 50th Anniversary year. McCarthy's eagerly anticipated new novels, *The Passenger* and *Stella Maris*, will be published by Picador in October 2022.

**The Children of Men** Nov 27 2020 The year is 2021. No child has been born for twenty-five years. The human race faces extinction. Under the despotic rule of Xan Lyppiat, the Warden of England, the old are despairing and the young cruel. Theo Faren, a cousin of the Warden, lives a solitary life in this ominous atmosphere. That is, until a chance encounter with a young woman leads him into contact with a group of dissenters. Suddenly his life is changed irrevocably as he faces agonising choices which could affect the future of mankind.  
NOW A MAJOR MOTION PICTURE

**Black Power** Oct 19 2022 A revolutionary work since its publication, *Black Power* exposed the depths of systemic racism in this country and provided a radical political framework for reform: true and lasting social change would only be accomplished through unity among African-Americans and their independence from the preexisting order. An eloquent document of the civil rights movement that remains a work of profound social relevance 50 years after it was first published.

*Africa's Peacemakers* Dec 17 2019 As Africa and its diaspora commemorate fifty years of post-independence Pan-Africanism, this unique volume provides profound insight into the thirteen prominent individuals of African descent who have won the Nobel Peace Prize since 1950. From the first American president of African descent, Barack Obama, whose career was inspired by the civil rights and anti-apartheid struggles promoted by fellow Nobel Peace laureates Martin Luther King, Jr., Nelson Mandela, Desmond Tutu, and Albert Luthuli; to influential figures in peacemaking such as Ralph Bunche, Anwar Sadat, Kofi Annan, and F.W. De Klerk; as well as Ellen Johnson Sirleaf, Leymah Gbowee, Wangari Maathai, and Mohamed El-Baradei, who have been variously involved in women's rights, environmental protection, and nuclear disarmament, *Africa's Peacemakers* reveals how this remarkable collection of individuals have changed the world - for better or worse.

**Cloud Atlas** Dec 09 2021 CLOUD ATLAS, David Mitchell's bestselling Man Booker Prize-shortlisted novel which was also one of Richard & Judy's 100 Books of the Decade, has now been adapted for film. In this enhanced edition you can read the original novel along with a new essay by David Mitchell about the transformation of his novel into a film, and watch four exclusive videos about the book and film. The major motion picture, directed by Lana Wachowski, Tom Tykwer, and Andy Wachowski, stars Tom Hanks, Halle Berry, Susan Sarandon, Jim Sturgess, Ben Whishaw, Jim Broadbent Hugo Weaving, Doona Bae, James D'Arcy, Zhou Xun, Keith David and Hugh Grant. The novel features six

characters in interlocking stories, each interrupting the one before it: a reluctant voyager crossing the Pacific in 1850; a disinherited composer blagging a precarious livelihood in between-the-wars Belgium; a high-minded journalist in Governor Reagan's California; a vanity publisher fleeing his gangland creditors; a genetically modified dinery server on death-row; and Zachry, a young Pacific islander witnessing the nightfall of science and civilisation. The narrators of CLOUD ATLAS hear each other's echoes down the corridor of history and their destinies are changed in ways great and small. Mitchell's other novels are GHOSTWRITTEN, NUMBER9DREAM, BLACK SWAN GREEN and A THOUSAND AUTUMS OF JACOB DE ZOET, all published by Sceptre. [www.sceptrebooks.com](http://www.sceptrebooks.com)

Folk Music and the New Left in the Sixties Apr 20 2020 p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px 'Times New Roman'} Artists have often provided the earliest demonstrations of conscience and ethical examination in response to political events. The political shifts that took place in the 1960s were addressed by a revival of folk music as an expression of protest, hope and the courage to imagine a better world. This work explores the relationship between the cultural and political ideologies of the 1960s and the growing folk music movement, with a focus on musicians Phil Ochs; Joan Baez; Peter, Paul and Mary; Carolyn Hester and Bob Dylan.

Against Our Will Aug 25 2020 Susan Brownmiller's groundbreaking bestseller uncovers

the culture of violence against women with a devastating exploration of the history of rape—now with a new preface by the author exposing the undercurrents of rape still present today Rape, as author Susan Brownmiller proves in her startling and important book, is not about sex but about power, fear, and subjugation. For thousands of years, it has been viewed as an acceptable “spoil of war,” used as a weapon by invading armies to crush the will of the conquered. The act of rape against women has long been cloaked in lies and false justifications. It is ignored, tolerated, even encouraged by governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to “blame the victim,” and, perhaps most shockingly, accepted in supposedly civilized societies worldwide, including the United States. *Against Our Will* is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages. Selected by the New York Times Book Review as an Outstanding Book of the Year and included among the New York Public Library’s Books of the Century, *Against Our Will* remains an essential work of sociological and historical importance.

**Negroes with Guns** Jul 04 2021 A southern black community's struggle to defend itself against racist groups.

Finding Freedom: Harry and Meghan and the Making of a Modern Royal Family Jun 15 2022 When news of the budding romance between a beloved English prince and an American actress broke, it captured the world's attention and sparked an international media frenzy.

**Seven Pillars of Wisdom** Oct 07 2021 Written between 1919 and 1926, this text tells of the campaign against the Turks in the Middle East, encompassing gross acts of cruelty and revenge, ending in a welter of stink and corpses in a Damascus hospital.

**Breach of Peace** Jun 22 2020 In the spring and summer of 1961, several hundred Americans - black and white, male and female - converged on Jackson, Mississippi, to challenge the state segregation laws. The Freedom Riders, as they came to be known, were determined to open up the South to civil rights. Over 300 were arrested and convicted of 'breaching of the peace'. The name, mug shot and other personal details of each arrested Freedom Rider were duly recorded and saved. Collected here is a richly illustrated book featuring contemporary photos and interviews alongside the mug shots.

Freedom School, Yes! Jan 22 2023 When their house is attacked because her mother volunteered to take in the young white woman who has come to teach black children at the Freedom School, Jolie is afraid, but she overcomes her fear after learning the value of education.

**I Know Why the Caged Bird Sings** Sep 25 2020 Here is a book as joyous and painful, as

mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

**Meridian** May 14 2022 The second novel written by Alice Walker, preceding *THE COLOUR PURPLE* is a heartfelt and moving story about one woman's personal revolution as she joins the Civil Rights Movement. Set in the American South in the 1960s it follows Meridian Hill, a courageous young woman who dedicates herself heart and soul to her civil rights work, touching the lives of those around her even as her own health begins to

deteriorate. Hers is a lonely battle, but it is one she will not abandon, whatever the costs. This is classic Alice Walker, beautifully written, intense and passionate.

**Love, Ruby Lavender** Feb 17 2020 Ruby Lavender used to have a good life. She and her grandmother, Miss Eula, were inseparable--they even drove the getaway car together for chickens rescued from the slaughterhouse! But this summer, Miss Eula will be in Hawaii, and Ruby's sure it'll be a lonely, empty, horrible season without her. What happens instead? Ruby makes a new friend, saves the school play, writes plenty of letters to her favorite (and only) grandmother . . . and finally stops blaming herself for her grandfather's death.

Freedom Summer Feb 23 2023 In 1964, Joe is pleased that a new law will allow his best friend John Henry, who is black, to share the town pool and other public places with him, but he is dismayed to find that prejudice still exists.

**In Struggle** Apr 13 2022 With its radical ideology and effective tactics, the Student Nonviolent Coordinating Committee (SNCC) was the cutting edge of the civil rights movement during the 1960s. This sympathetic yet evenhanded book records for the first time the complete story of SNCC's evolution, of its successes and its difficulties in the ongoing struggle to end white oppression. At its birth, SNCC was composed of black college students who shared an ideology of moral radicalism. This ideology, with its emphasis on nonviolence, challenged Southern segregation. SNCC students were the earliest civil rights fighters of the Second Reconstruction. They conducted sit-ins at lunch

counters, spearheaded the freedom rides, and organized voter registration, which shook white complacency and awakened black political consciousness. In the process, Clayborne Carson shows, SNCC changed from a group that endorsed white middle-class values to one that questioned the basic assumptions of liberal ideology and raised the fist for black power. Indeed, SNCC's radical and penetrating analysis of the American power structure reached beyond the black community to help spark wider social protests of the 1960s, such as the anti-Vietnam War movement. Carson's history of SNCC goes behind the scene to determine why the group's ideological evolution was accompanied by bitter power struggles within the organization. Using interviews, transcripts of meetings, unpublished position papers, and recently released FBI documents, he reveals how a radical group is subject to enormous, often divisive pressures as it fights the difficult battle for social change.

**The Good Doctors** Dec 21 2022 In the summer of 1964 medical professionals, mostly white and northern, organized the Medical Committee for Human Rights (MCHR) to provide care and support for civil rights activists organizing black voters in Mississippi. They left their lives and lucrative private practices to march beside and tend the wounds of demonstrators from Freedom Summer, the March on Selma, and the Chicago Democratic Convention of 1968. Galvanized and sometimes radicalized by their firsthand view of disenfranchised communities, the MCHR soon expanded its mission to encompass a range

of causes from poverty to the war in Vietnam. They later took on the whole of the United States healthcare system. MCHR doctors soon realized fighting segregation would mean not just caring for white volunteers, but also exposing and correcting shocking inequalities in segregated health care. They pioneered community health plans and brought medical care to underserved or unserved areas. Though education was the most famous battleground for integration, the appalling injustice of segregated health care levelled equally devastating consequences. Award-winning historian John Dittmer, author of the classic civil rights history *Local People: The Struggle for Civil Rights in Mississippi*, has written an insightful and moving account of a group of idealists who put their careers in the service of the motto "Health Care Is a Human Right."

*Atlas Shrugged* May 22 2020 Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a

productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

**White Men's Law** Jan 10 2022 "Thirty lashes, well laid on" -- "Dem was hard times, Sho' Nuff" -- "Beings Of an inferior order" -- "Fighting for white supremacy" -- "The foul odors of blacks" -- "Negroes plan to kill all whites" -- "Intimate contact with negro men" -- "I thanked got right there and then" -- "War against the constitution" -- "Two cities : one white, the other black" -- "All blacks are angry" -- "The basic minimal skills" -- Epilogue : "rooting out systemic racism".

*The Ballad of Songbirds and Snakes (A Hunger Games Novel)* Oct 15 2019 Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor

the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

**Dreams Die Hard** Mar 12 2022

**Nightbitch** Jan 18 2020 In this blazingly smart and voracious debut novel, an artist turned stay-at-home mom becomes convinced she's turning into a dog. • "A must-read for anyone who can't get enough of the ever-blurring line between the psychological and supernatural that *Yellowjackets* exemplifies." —Vulture One day, the mother was a mother, but then one night, she was quite suddenly something else... An ambitious mother puts her art career on hold to stay at home with her newborn son, but the experience does not match her imagination. Two years later, she steps into the bathroom for a break from her toddler's demands, only to discover a dense patch of hair on the back of her neck. In the mirror, her canines suddenly look sharper than she remembers. Her husband, who travels for work five days a week, casually dismisses her fears from faraway hotel rooms. As the mother's symptoms intensify, and her temptation to give in to her new dog impulses peak, she struggles to keep her alter-canine-identity secret. Seeking a cure at the library, she discovers

the mysterious academic tome which becomes her bible, *A Field Guide to Magical Women: A Mythical Ethnography*, and meets a group of mummies involved in a multilevel-marketing scheme who may also be more than what they seem. An outrageously original novel of ideas about art, power, and womanhood wrapped in a satirical fairy tale, *Nightbitch* will make you want to howl in laughter and recognition. And you should. You should howl as much as you want.

**Beloved** Jun 03 2021 ONE OF FIVE NEW VINTAGE FUTURE CLASSICS READING GUIDE EDITIONS

Miss Julie Aug 17 2022 One of the greatest classics of modern theater concerns a willful young aristocrat's seduction of her father's valet during a Midsummer's Eve celebration. Complete with Strindberg's highly-regarded critical preface.

**Let the People Decide** Sep 18 2022 In the middle of the Mississippi Delta lies rural, black-majority Sunflower County. J. Todd Moyer examines the social histories of civil rights and white resistance movements in Sunflower, tracing the development of organizing strategies in separate racial communities over four decades. Sunflower County was home to both James Eastland, one of the most powerful reactionaries in the U.S. Senate in the twentieth century, and Fannie Lou Hamer, the freedom-fighting sharecropper who rose to national prominence as head of the Mississippi Freedom Democratic Party. Sunflower was the birthplace of the Citizens' Council, the white South's pre-eminent anti-civil rights

organization, but it was also a hotbed of SNCC (Student Nonviolent Coordinating Committee) organizing and a fountainhead of freedom culture. Using extensive oral history interviews and archival research, Moyer situates the struggle for democracy in Sunflower County within the context of national developments in the civil rights movement. Arguing that the civil rights movement cannot be understood as a national monolith, Moyer reframes it as the accumulation of thousands of local movements, each with specific goals and strategies. By continuing the analysis into the 1980s, *Let the People Decide* pushes the boundaries of conventional periodization, recognizing the full extent of the civil rights movement.

The Bell Jar Jan 30 2021 Liberty fabric covered editions bring classics from the Faber backlist together with important modern titles, putting them in conversation and celebrating both the history and the future of Faber & Faber. Sylvia Plath's groundbreaking semi-autobiographical novel offers an intimate, honest and often wrenching glimpse into mental illness. *The Bell Jar* broke the boundaries between fiction and reality and helped cement Sylvia Plath's place as an enduring feminist icon. Celebrated for its darkly humorous, razor sharp portrait of 1950s society, it continues to resonate with readers today as testament to the universal human struggle to claim one's rightful place in the world. In 2019, Sylvia Plath's *The Bell Jar* will be reissued as a special hardback edition with a Liberty fabric from the year of the novel's first publication (1963); *Milkman*, winner of the 2018 Man Booker

Prize, will be reissued with a bespoke Liberty fabric cover, created uniquely for Anna Burns. ABOUT THE FABRIC Originally inspired by an impression sheet from Liberty's print works at Merton Abbey. First produced in 1961, this low-colour geometric design features abstract broken lines which almost create a subtle and wavy camouflage effect.

One Crazy Summer Oct 27 2020 In this Newbery Honor novel, New York Times bestselling author Rita Williams-Garcia tells the story of three sisters who travel to Oakland, California, in 1968 to meet the mother who abandoned them. A strong option for summer reading—take this book along on a family road trip or enjoy it at home. This moving, funny novel won the Scott O'Dell Award for Historical Fiction and the Coretta Scott King Award and was a National Book Award Finalist. Delphine, Vonetta, and Fern's story continues in P.S. Be Eleven and Gone Crazy in Alabama. Readers who enjoy Christopher Paul Curtis's *The Watsons Go to Birmingham* and Jacqueline Woodson's *Brown Girl Dreaming* will find much to love in *One Crazy Summer*. Rita Williams-Garcia's books about Delphine, Vonetta, and Fern can also be read alongside nonfiction explorations of American history such as Jason Reynolds's and Ibram X. Kendi's books. In *One Crazy Summer*, eleven-year-old Delphine is like a mother to her two younger sisters, Vonetta and Fern. She's had to be, ever since their mother, Cecile, left them seven years ago for a radical new life in California. But when the sisters arrive from Brooklyn to spend the summer with their mother, Cecile is nothing like they imagined. While the girls hope to go to Disneyland

and meet Tinker Bell, their mother sends them to a day camp run by the Black Panthers. Unexpectedly, Delphine, Vonetta, and Fern learn much about their family, their country, and themselves during one truly crazy summer. This novel was the first featured title for Marley D's Reading Party, launched after the success of #1000BlackGirlBooks. Maria Russo, in a New York Times list of "great kids' books with diverse characters," called it "witty and original." "This vibrant and moving award-winning novel has heart to spare," commented Olugbemisola Rhuday-Perkovich in her *Brightly* article "Knowing Our History to Build a Brighter Future: Books to Help Kids Understand the Fight for Racial Equality." Hands on the Freedom Plow May 02 2021 In *Hands on the Freedom Plow*, fifty-two women--northern and southern, young and old, urban and rural, black, white, and Latina--share their courageous personal stories of working for the Student Nonviolent Coordinating Committee (SNCC) on the front lines of the Civil Rights Movement. The testimonies gathered here present a sweeping personal history of SNCC: early sit-ins, voter registration campaigns, and freedom rides; the 1963 March on Washington, the Mississippi Freedom Summer, and the movements in Alabama and Maryland; and Black Power and antiwar activism. Since the women spent time in the Deep South, many also describe risking their lives through beatings and arrests and witnessing unspeakable violence. These intense stories depict women, many very young, dealing with extreme fear and finding the remarkable strength to survive. The women in SNCC acquired new skills, experienced

personal growth, sustained one another, and even had fun in the midst of serious struggle. Readers are privy to their analyses of the Movement, its tactics, strategies, and underlying philosophies. The contributors revisit central debates of the struggle including the role of nonviolence and self-defense, the role of white people in a black-led movement, and the role of women within the Movement and the society at large. Each story reveals how the struggle for social change was formed, supported, and maintained by the women who kept their "hands on the freedom plow." As the editors write in the introduction, "Though the voices are different, they all tell the same story--of women bursting out of constraints, leaving school, leaving their hometowns, meeting new people, talking into the night, laughing, going to jail, being afraid, teaching in Freedom Schools, working in the field, dancing at the Elks Hall, working the WATS line to relay horror story after horror story, telling the press, telling the story, telling the word. And making a difference in this world."

**Dracula** Nov 15 2019 Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire.

*Black Boy [Seventy-fifth Anniversary Edition]* Feb 11 2022 A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the *New York Times* wrote that "if enough such books are written, if

enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy.” Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for “obscenity” and “instigating hatred between the races.” Wright’s once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to “hurl words into this darkness and wait for an echo.” Seventy-five years later, his words continue to reverberate. “To read *Black Boy* is to stare into the heart of darkness,” John Edgar Wideman writes in his foreword. “Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear.” One of the great American memoirs, Wright’s account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time.

**Stranger in a Strange Land** Sep 06 2021 The original uncut edition of STRANGER IN A STRANGE LAND by Hugo Award winner Robert A Heinlein - one of the most beloved, celebrated science-fiction novels of all time. Epic, ambitious and entertaining, STRANGER

IN A STRANGE LAND caused controversy and uproar when it was first published and is still topical and challenging today. Twenty-five years ago, the first manned mission to Mars was lost, and all hands presumed dead. But someone survived... Born on the doomed spaceship and raised by the Martians who saved his life, Valentine Michael Smith has never seen a human being until the day a second expedition to Mars discovers him. Upon his return to Earth, a young nurse named Jill Boardman sneaks into Smith's hospital room and shares a glass of water with him, a simple act for her but a sacred ritual on Mars. Now, connected by an incredible bond, Smith, Jill and a writer named Jubal must fight to protect a right we all take for granted: the right to love.

*This Nonviolent Stuff'll Get You Killed* Apr 01 2021 Visiting Martin Luther King Jr. at the peak of the Montgomery, Alabama bus boycott, journalist William Worthy almost sat on a loaded pistol. "Just for self defense," King assured him. It was not the only weapon King kept for such a purpose; one of his advisors remembered the reverend's Montgomery, Alabama home as "an arsenal." Like King, many ostensibly "nonviolent" civil rights activists embraced their constitutional right to selfprotection -- yet this crucial dimension of the Afro-American freedom struggle has been long ignored by history. In *This Nonviolent Stuff'll Get You Killed*, civil rights scholar Charles E. Cobb Jr. describes the vital role that armed self-defense played in the survival and liberation of black communities in America during the Southern Freedom Movement of the 1960s. In the Deep South, blacks often

safeguarded themselves and their loved ones from white supremacist violence by bearing -- and, when necessary, using -- firearms. In much the same way, Cobb shows, nonviolent civil rights workers received critical support from black gun owners in the regions where they worked. Whether patrolling their neighborhoods, garrisoning their homes, or firing back at attackers, these courageous men and women and the weapons they carried were crucial to the movement's success. Giving voice to the World War II veterans, rural activists, volunteer security guards, and self-defense groups who took up arms to defend their lives and liberties, *This Nonviolent Stuff'll Get You Killed* lays bare the paradoxical relationship between the nonviolent civil rights struggle and the Second Amendment. Drawing on his firsthand experiences in the civil rights movement and interviews with fellow participants, Cobb provides a controversial examination of the crucial place of firearms in the fight for American freedom.

*Black Like Me* Aug 05 2021 This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.
