In his critically acclaimed bestseller *Shadow Divers*, Robert Kurson explored the depths of history, friendship, and compulsion. Now Kurson returns with another thrilling adventure—the stunning true story of one man’s heroic odyssey from blindness into sight. Mike May spent his life crashing through. Blinded at age three, he defied expectations by breaking world records in downhill speed skiing, joining the CIA, and becoming a successful inventor, entrepreneur, and family man. He had never yearned for vision. Then, in 1999, a chance encounter brought startling news: a revolutionary stem cell transplant surgery could restore May’s vision. It would allow him to drive, to read, to see his children’s faces. He began to contemplate an astonishing new world: Would music still sound the same? Would sex be different? Would he recognize himself in the mirror? Would his marriage survive? Would he still be Mike May? The procedure was filled with risks, some of them deadly, others beyond May’s wildest dreams. Even if the surgery worked, history was against him. Fewer than twenty cases were known worldwide in which a person gained vision after a lifetime of blindness. Each of those people suffered desperate consequences we can scarcely imagine. There were countless reasons for May to pass on vision. He could think of only a single reason to go forward. Whatever his decision, he knew it would change his life. Beautifully written and thrillingly told, *Crashing Through* is a journey of suspense, daring, romance, and insight into the mysteries of vision and the brain. Robert Kurson gives us a fascinating account of one man’s choice to explore what it means to see—and to truly live. It's the greatest story never told: that of a boy who met Jesus and dared to ask Him all the questions that have consumed mankind since the dawn of time. His name was Segatashya. He was a shepherd born into a penniless and illiterate pagan family in the most remote region of Rwanda. He never attended school, never saw a bible, and never set foot in a church. Then one summer day in 1982 while the 15-year-old was resting beneath a shade tree, Jesus Christ paid him a visit. Jesus asked the startled young man if he'd be willing to go on a mission to remind mankind how to live a life that leads to heaven. Segatashya accepted the assignment on one condition: that Jesus answer all his questions—and all the questions of those he met on his travels—about faith, religion, the purpose of life, and the nature of heaven and hell. Jesus agreed to the boy's terms, and Segatashya set off on what would become one of the most miraculous journeys in modern history. Although he was often accused of being a charlatan and beaten as a result, Segatashya's innocent heart and powerful spiritual wisdom quickly won over even the most cynical of critics. Soon, this teenage boy who had never learned to read or write was discussing theology with leading biblical scholars and advising pastors and priests of all denominations. He became so famous in Rwanda that the Catholic Church investigated his story. The doctors and psychiatrists who examined Segatashya all agreed that they were witnessing a miracle. His words and simple truths converted thousands of hearts and souls wherever he went. Before his death during the 1994 Rwandan genocide, Segatashya continued his travels and conversations with Jesus for eight years, asking Him what we all want to know: · Why were we created? · Why must we suffer? · Why do bad things happen to good people? · When will the world end? · Is there life after death? · How do we get to Heaven? The answers to these and many other momentous, life-changing questions are revealed in this riveting book, which is the

first full account of Segatashya's remarkable life story. Written with grace, passion, and loving humor by Immaculée Ilibagiza, Segatashya's close friend and a survivor of the Rwandan holocaust herself, this truly inspirational work is certain to move you in profound ways. No matter what your faith or religious beliefs, Segatashya's words will bring you comfort and joy, and prepare your heart for this life . . . and for life everlasting. In 1939, the Germans invaded the town of Lodz, Poland, and moved the Jewish population into a small part of the city called a ghetto. As the war progressed, 270,000 people were forced to settle in the ghetto under impossible conditions. At the end of the war, there were 800 survivors. Of those who survived, only twelve were children. This is the story of Sylvia Perlmutter, one of the twelve. In **THE BOY WHO DARED TO BE HIMSELF**, a boy named Finn loves the so-called "girly" things of the world but hides his interests and who he really is in the comfort of his home. One day while he is at school, he sees a boy in his class get picked on for playing with a doll. He wonders why all things can't be for everyone. He soon learns (from the support of his mother) that the world has changed and that being his true self is important and that being himself it will make it easier for him to stick up for others who are bullied for being themselves, too. This book is important for the next generation of children (and adults alike) which shows unconditional love, positive parenting, respect, and love. An important book that encourages self-love and acceptance. Encourages children to break the gender stereotypes of the world. Creates an opportunity for open discussions and learning. Empowers children to express themselves through their interests and fashion styles despite what others say or think. Allows discussion about bullying and how being your true self you can have more confidence to stick up for others who are bullied for being themselves too. Biography of Elvis Presley. Tao is an outcast. Unlike the great hunters of his clan, Tao does not want to kill the wild bears or woolly mammoths of the hunt. Instead he wants only to paint them. But only Chosen Ones can be cave painters. What's more, Volt, the clan leader, violently despises Tao. And when the other clan members discover Tao's secret talent, they cast him out into the wilderness alone. There, he befriends a wild wolf dog named Ram, and the mysterious Graybeard, who teaches him the true secret of the hunt. \*\*\***THE FOLLOW UP TO THE AWARD-WINNING AND BESTSELLING STORIES FOR BOYS WHO DARE TO BE DIFFERENT**\*\*\* Tom Daley, Oliver Sacks, the Jamaican Bobsled team, Amrou Al-Kadhi, Carlos Acosta... all dared to be different. From a parish workhouse to the heart of the industrial revolution, from debtors' jail to Cambridge University and a prestigious London church, Robert Blincoe's political, personal and turbulent story illuminates the Dickensian age like never before. In 1792 as revolution, riot and sedition spread across Europe, Robert Blincoe was born in the calm of rural St Pancras parish. At four he was abandoned to a workhouse, never to see his family again. At seven, he was sent 200 miles north to work in one of the cotton mills of the dawning industrial age. He suffered years of unrelenting abuse, a life dictated by the inhuman rhythm of machines. Like Dickens' most famous character, Blincoe rebelled after years of servitude. He fought back against the mill owners, earning beatings but gaining self-respect. He joined the campaign to protect children, gave evidence to a Royal Commission into factory conditions and worked with extraordinary tenacity to keep his own children from the factories. His life was immortalised in one of the most remarkable biographies ever written, *A Memoir of Robert Blincoe*. Renowned popular historian John Waller tells the true story of a parish boy's progress with passion and in enthralling detail. A Newbery Honor Book author has written a powerful and gripping novel about a youth in Nazi Germany who tells the truth about Hitler. Susan Campbell Bartoletti has taken one episode from her Newbery Honor Book, *Hitler Youth*, and fleshed it out into thought-provoking novel. When 16-year-old Helmut Hubner listens to the BBC news on an illegal short-wave radio, he quickly discovers Germany is lying to the people. But when he tries to expose the truth with leaflets, he's tried for treason. Sentenced to death and waiting in a jail cell, Helmut's story emerges in a series of flashbacks that show his growth from a naive child caught up in the patriotism of the times, to a sensitive and mature young man who thinks for himself. David's an outsider. He's smart, sensitive - and convinced he has secret super-powers. Life for him and his brother is a constant whirl of would-be step-families and overbearing friends and relations. And even aged ten, he's finding he's not sure what he thinks about fancying girls when 14-year-old John down the road seems so much more interesting... Paul Magrs' warm, vividly told story of childhood's end blends comedy and drama in a wild play-ground of messed-up lives and family feuds. On the goldfields of 19th-century Australia, two very different girls are trying to escape their past. English governess Violet Hartley has fled from England after a scandalous liaison. Violet Hartley becomes first suspicious, then jealous of the delicate looking Chinese boy. Two sworn enemies start to fall in love through anonymous notes in *How to Speak Boy*, a fun and charming YA novel from Tiana Smith. Quinn and Grayson have been fierce speech and debate rivals for years. They can't stand one another, either in competition or in real life. But when their AP Government teacher returns their school assignments to the wrong cubbies, they begin exchanging anonymous notes without knowing who the other one is. Despite their differences, the two come

together through their letters and find themselves unknowingly falling for the competition. Before the state tournament, the two of them need to figure out what they want out of life, or risk their own future happiness. After all, what's the point of speech and debate if you can't say what's in your heart? This is the story of a bad boy. Well, not such a very bad, but a pretty bad boy; and I ought to know, for I am, or rather I was, that boy myself. Lest the title should mislead the reader, I hasten to assure him here that I have no dark confessions to make. I call my story the story of a bad boy, partly to distinguish myself from those faultless young gentlemen who generally figure in narratives of this kind, and partly because I really was not a cherub. I may truthfully say I was an amiable, impulsive lad, blessed with fine digestive powers, and no hypocrite. I didn't want to be an angel and with the angels stand; I didn't think the missionary tracts presented to me by the Rev. Wibird Hawkins were half so nice as *Robinson Crusoe*; and I didn't send my little pocket-money to the natives of the Feejee Islands, but spent it royally in peppermint-drops and taffy candy. In short, I was a real human boy, such as you may meet anywhere in New England, and no more like the impossible boy in a storybook than a sound orange is like one that has been sucked dry. But let us begin at the beginning. Curl up and make yourself cosy and listen to the tales of one who dared to dream. Your imagination will run wild as you visit distant lands and go places not soon to be forgotten. A Newbery Honor Book. While on a bike trip, Joel's best friend Tony drowns while they are swimming in the forbidden, treacherous Vermilion River. "A powerful, soul-stirring novel told simply and well."—Booklist (starred review) "This is a devastating but beautifully written story of a boy's all-consuming guilt over the role he plays in the death of his best friend . . . A powerful, moving book."—School Library Journal When they first arrived, they came quietly and stealthily as if they tip-toed into the world when we were all looking the other way. The Boy Who Dared to Dream will inspire your child to see themselves as ANYTHING they can imagine. Unleash the greatness within them! Who knows where their imagination will take them. Allow them to Dare to Dream!! Leon Leyson (born Leib Lezjon) was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow ghetto. With incredible luck, perseverance and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Goeth, commandant of Plaszow, the concentration camp outside Krakow. Ultimately, it was the generosity and cunning of one man, a man named Oskar Schindler, who saved Leon Leyson's life, and the lives of his mother, his father, and two of his four siblings, by adding their names to his list of workers in his factory - a list that became world renowned: Schindler's List. This, the only memoir published by a former Schindler's List child, perfectly

captures the innocence of a small boy who goes through the unthinkable. Most notable is the lack of rancour, the lack of venom, and the abundance of dignity in Mr Leyson's telling. The Boy on the Wooden Box is a legacy of hope, a memoir unlike anything you've ever read.
