Kitty and the Moonlight Rescue Dec 29 2020
Girl by day. Cat by night. Ready for an adventure. *Kitty and the Moonlight Rescue* is the first book in a chapter book series about Kitty and her superhero adventures. Meet Kitty, a charming chapter book character with catlike superpowers. With dramatic two-color art on every page and an emphasis on friendship, family, bravery, and building self-confidence, *Kitty and the Moonlight Rescue* is a perfect choice for independent readers and fans of Rebecca Elliott's *Owl Diaries*. Kitty is special. Her mother is a superhero with catlike powers that Kitty and her little brother Max will someday inherit. But being a superhero involves going on daring adventures at night, and Kitty doesn't know if she'll ever be brave enough for that! One night though, Kitty finds a sleek black cat with white paws waiting at her window. When he introduces himself, Kitty is shocked to realize she can understand him—her powers have arrived! The cat, Figaro, has a problem. There's a terrible meowing sound coming from the clock tower, and the other

cats don't know what to do. The night outside looks cold and uninviting, and Kitty is afraid of the dark. But she musters up her courage and sets out to find the source of the mysterious sound. Along the way, she makes new friends, uncovers her confidence, and learns what it means to be brave. With an aspirational main character, a kindle of cats, striking two-color art on every page, and fun facts included at the end of each story, these chapter books are just right for newly independent readers.

The Curious Kid's Science Book Nov 08 2021
What happens if you water plants with juice? Where can you find bacteria in your house? Is slug slime as strong as a glue stick? How would your child find the answers to these questions? In *The Curious Kid's Science Book*, your child will learn to design his or her own science investigations to determine the answers! Children will learn to ask their own scientific questions, discover value in failed experiments, and – most importantly – have a blast with science. The 100+ hands-on activities in the book use household items to playfully teach important science, technology, engineering, and math skills. Each creative activity includes age-appropriate explanations and (when possible) real life applications of the concepts covered. Adding science to your at-home schedule will make a positive impact on your child's learning. Just one experiment a week will help build children's confidence and excitement about the sciences, boost success in the classroom, and give them the tools to design and execute their own science fair projects.

Frankie Sparks and the Class Pet Feb 28 2021 Ivy and Bean meets Aliens in my Pocket in this start to a brand-new chapter book series about Frankie Sparks, a third grader who uses her love for science and math to help her solve problems she comes across in her daily life. The best thing EVER is happening in Frankie Sparks's third grade class: They are getting a class pet! Their teacher, Miss Cupid, tells them they will vote on their pet, but it has to meet some "parameters." Their pet must: 1. Fit in aquarium. 2. Cost less than \$50. 3. Be

easily portable. 4. Be able to be left alone for the weekend. Frankie thinks that a rat—just like the rats in her beloved Aunt Gina's lab—would be the perfect fit. But her best friend, Maya, doesn't think a rat would be great at all. They are kind of gross and not as cool as a hermit crab, which is Maya's top choice. Using her special workshop, can Frankie find a way to convince her teacher and her best friend that Team Rat is the way to go?

Ready Steady Ghost! Mar 12 2022 'Shiver-me, shake-me!' said Bertie. The forest at midnight can be a scary place. Bertie has just set out on his first haunting. It's a journey that makes our little ghost feel jumpy: through a dark and lonely wood, past a howling wolf, a hissing snake, and a roaring dragon! So when he reaches a big old castle, Bertie doesn't really feel like haunting, he feels like hiding: especially when he's chased up the stairs by a dog. It's only when Bertie takes refuge in a draughty attic that he finds the perfect place to take up his position as resident ghost. A spine-tingling bedtime story that explores feelings of overcoming anxieties and feeling secure. 'A perfect bedtime read with a delightful hero who shows we can

overcome our fears and fit in.' *Parents in Touch*
