Malcolm and Dandy may only be 10-year-old boys, but they've already experienced something most adults never do--a ghost! Malcolm's Ecto-Handheld-Automatic-Heat-Sensitive-Laser-Enhanced Specter Detector did its job at the McBleaky house. Malcolm is hoping his next gadget, the Ecto-Handheld-Automatic-Heat-Sensitive-Laser-Enhanced Ghost Zapper, will work on the ghost haunting the Millers' house! Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 2-5. We've all experienced frustration asking for and getting what we want. It plays out regularly with our partners, children, employers, and businesses we patronize. Sometimes we don't bother to ask for what we want, even when it's perfectly reasonable, thinking it will create hard feelings or spark an argument. Often, it's because we don't think we can succeed in getting what we want. But nothing could be further from the truth. *How to Ask for What You Want and Get It: Common Sense Tips That Work* will help readers learn how to ask for what they want and get good results. It teaches them how to stay in the game by using the right words. It also shows how to build rapport by using positive body language. The more you know what makes people operate as they do, the better chance you'll have of helping them see things your way. The most important aspect to negotiating anything is getting the other person on your side. That means the person you're asking has to like and respect you enough to do what you want. Most of the advice in this book

employs mindfulness techniques. The mindfulness movement helps people live in the moment, speak more effectively to one another, and settle problems peacefully. A young soldier's memoirs of fighting in WWII: "Fascinating . . . A personal record like this is a valuable resource to anyone interested in the period"(Military Model Scene). After the Citadel and Officer Candidate School, Andrew Z. Adkins Jr., was sent to the 80th Infantry Division, then training in the California-Arizona desert. There, he was assigned as an 81mm mortar section leader in Company H, 2nd Battalion, 317th Infantry Regiment. When the division completed training in December 1943, it was shipped in stages to the United Kingdom and then Normandy, where it landed on August 3, 1944. Lieutenant Adkins and his fellow soldiers took part in light hedgerow fighting that served to shake the division down and familiarize the troops and their officers with combat. The first real test came within weeks, when the 2nd Battalion, 317th Infantry, attacked high ground near Argentan during the drive to seal German forces in the Falaise Pocket. While scouting for mortar positions in the woods, Adkins met a group of Germans and shot one of them dead with his carbine. This baptism in blood settled the question faced by every novice combatant: He was cool under fire, capable of killing when facing the enemy. He later wrote, "It was a sickening sight, but having been caught up in the heat of battle, I didn't have a reaction other than feeling I had saved my own life." Thereafter, the 2nd Battalion, 317th Infantry, took part in bloody battles across France, sometimes coping with inept leadership and grievous losses, even as it took hills and towns away from the Germans. In the fighting graphically portrayed here, Adkins acted with skill and courage, placing himself at the forefront of the action whenever he could. His extremely aggressive delivery of critical supplies to a cut-off unit in an embattled French town earned him a Bronze Star, the first in his battalion. This is a story of a young soldier at war, a junior officer's coming of age amid pulse-

pounding combat. Before his death, Andy Adkins was able to face his memory of war as bravely as he faced war itself. He put it on paper, honest and unflinching. In 1944-45, he did his duty to his men and country—and here, he serves new generations of military and civilian readers. Interior Decorator Madison Night has her hands full with a demanding client and a product endorsement, but when the news shifts from reports of recently abducted women to the discovery of a dead body, she can't deny the danger. Evidence from the scene links the flirtatious Lt. Tex Allen to the crime, taking him off the case. As more abductees are either released or killed, Tex struggles with his suspension, on the brink of turning vigilante. Madison's own life is complicated by the return of her hunky handyman, Hudson James. When seemingly unrelated events lead back to the abductions, she exposes a secondary agenda, a copycat crime, and a vengeful plot to destroy someone she loves. ----- WITH VICS YOU

author of the smash hit *The Life-Changing Magic of Not Giving a F**k* and the New York Times bestseller *Get Your Sh*t Together* * In *The Life-Changing Magic of Not Giving a F**k*, our favourite 'anti-guru' Sarah Knight unleashed the power of saying no. In *Get Your Sh*t Together*, she prioritised the sh*t you need and want to do so you can achieve your hopes and dreams. Now she's back, doubling down on your happiness with her latest message: *You Do You*. Being yourself should be the easiest thing in the world. Yet instead of leaning in to who we are, we fight it, listening too closely to what society tells us. *You Do You* helps you shake off those expectations, say f**k perfect, start looking out for number one and keep on with your badass self. From career and finances to relationships and family, lifestyle and health, Sarah Knight rips up the rulebook. Writing about her mistakes and embarrassments in her own personal quest to 'do me' - because nobody gets everything right all day, every day - Sarah Knight shows why you can and should f**k up and teaches you to let yourself off the hook, bounce back and keep standing tall. This Christmas join the De La Fuentes and McKenzies in Blossom Creek as they celebrate the grand opening of Emelia's Restaurant. Over twenty years after Levi De La Fuente's parents opened the first Emelia's, Levi and his cousin Ryan are getting ready to open a second location. Emma De La Fuente manages the first Emelia's in Essex, Vermont for her parents. She's in town to assist her brother and cousin in getting the new restaurant ready for its grand opening. However, she didn't plan on the strong attraction she feels toward the town Sheriff. The man with his sweet words and heated looks has managed to derail her plans on returning home. While his sister is distracted, Levi finds himself in need of rescuing from a rather

embarrassing situation. Luckily for him, Vivien Taylor, owner of Temptations, Blossom Creek's handmade chocolate store, appears just at the right time. If only he didn't crave the sweet woman, then maybe, this situation wouldn't be so awkward. Blossom Creek just might be warm enough to melt the snow this holiday season. Stuart Burton is on his way to the hospital. His wife is about to give birth to their second child. He can't be late. But there is an accident, and Stuart ends up in a coma. When he wakes up, everything in his world has changed. And why are the police asking him questions about the murders of three people sixteen years ago? Stuart embarks on a tense and emotional journey to find out the truth about the accident, and to get back everything he's lost. But you can't get them back... Thirteen ordinary kids. Thirteen ordinary towns. Danger lurks around every corner! "Wonderful and weird, compelling and unsettling." - Gary Schmidt, two-time Newbery Honor author Get ready for a collection of thirteen short stories that will chill your bones, tingle your spine, and scare your pants off. Debut author Josh Allen masterfully concocts horror in the most innocent places, like R.L. Stine meets a modern Edgar Allan Poe. A stray kitten turns into a threatening follower. The street sign down the block starts taunting you. Even your own shadow is out to get you! Spooky things love hiding in plain sight. The everyday world is full of sinister secrets and these page-turning stories show that there's darkness even where you least expect it. Readers will sleep with one eye open. . . . A glow-in-the-dark cover and thirteen eerie full-page illustrations by award-winning artist Sarah J. Coleman accompany the tales in this frightful mashup that reads like a contemporary Scary Stories to Tell in the Dark. A Junior Library Guild Selection From a Hackney council estate to the House of Lords, this is the extraordinary story of one of our greatest entrepreneurs. Alan Sugar was born in 1947 and brought up on a council estate in Clapton, in Hackney. As a kid he watched his dad struggle to support the family, never knowing from one week

to the next if he'd have a job. It had a huge impact on him, fuelling a drive to succeed that was to earn him a sizeable personal fortune. Now he describes his amazing journey, from schoolboy enterprises like making and selling his own ginger beer to setting up his own company at nineteen; from Amstrad's groundbreaking ventures in hi-fi and computers, which made him the darling of the stock exchange, to the dark days when he nearly lost it all; from his pioneering deal with Rupert Murdoch to his boardroom battles at Tottenham Hotspur FC. In this compelling autobiography, he takes us into the world of The Apprentice, and describes his appointment as advisor to the government and elevation to the peerage. Like the man himself, What You See Is What You Get is forthright, funny and sometimes controversial. Popular Science gives our readers the information and tools to improve their technology and their world. It's the power kick that will radically boost your energy, clarity and your success in dealing with this

challenge - This is advice on steroids! - It's a concentrated and ultra targeted energy kick! The corporate world is filled with men and women who have worked hard to reach upper level management. They're intelligent, skilled, and even charismatic. But only a handful of them will ever reach the pinnacle--and as executive coach Marshall Goldsmith shows in this book, subtle nuances make all the difference. These are small transactional flaws performed by one person against another that, using Goldsmith's straightforward, jargonfree advice, are easy behaviors to change. EDITORIAL REVIEWS: From Publishers Weekly Goldsmith, an executive coach to the corporate elite, pinpoints 20 bad habits that stifle already successful careers as well as personal goals like succeeding in marriage or as a parent. Most are common behavioral problems, such as speaking when angry, which even the author is prone to do when dealing with a teenage daughter's belly ring. Though Goldsmith deals with touchy-feely material more typical of a self-help book--such as learning to listen or letting go of the past--his approach to curing self-destructive behavior is much harder-edged. For instance, he does not suggest sensitivity training for those prone to voicing morale-deflating sarcasm. His advice is to stop doing it. To stimulate behavior change, he suggests imposing fines (e.g., \$10 for each infraction), asserting that monetary penalties can yield results by lunchtime. While Goldsmith's advice applies to everyone, the highly successful audience he targets may be the least likely to seek out his book without a direct order from someone higher up. As he points out, they are apt to attribute their success to their bad behavior. Still, that may allow the less successful to gain ground by improving their people skills first. From Booklist By now, the CEO as celebrity is old hat. (Just start counting the books from former company heads.) That goes for the executive-recruiter-cum-president-

makers. What has yet to be explored--until now--is the celebrity business coach, the individual who helps C-level executives correct flaws, whether invisible or public. A frequent interviewee in major business magazines like Fortune, Goldsmith, with the sage help and advice of his collaborator Reiter, pens a self-help career book, filled with disguised anecdotes and candid dialogue, all soon slated for bestsellerdom. His steps in coaching for success are simple, honest, without artifice: gather feedback from appropriate colleagues and cohorts, determine which behaviors to change (and remember, Goldsmith specifically focuses on behavior, not skills or knowledge), apologize, advertise, listen, thank, follow up, and practice feed-forward. Admittedly, this shrewd organizational psychologist only works with leaders he knows will listen, follow advice, and change--especially considering that he doesn't receive fees until improvements are secure and visible. On the other hand, these are words and processes anyone will benefit from, whether wannabe manager or senior executive. Barbara Jacobs Copyright (c) American Library Association. They work for anyone who knows they exist and how to use them. The law of electricity works for all of us. We can burn your house down with electricity or you can light your home with it. You don't have to be a genius to do it. A child three years old can push a button and turn the lights on. Millions of people have been taught to believe that the rules of success are indeed so very difficult and complicated that surely they could never learn them. I found out that anyone can be genuinely successful if he will learn the exact same ""rules"" that the successful people learned and use them. Scroll up to get your copy now. For little ones reluctant to say good night, this laugh-out-loud story from beloved author Jory John and internationally acclaimed illustrator Olivier Tallec will guide them through different methods of falling

asleep—until they might just get tired after all. ATTENTION, READER: This book is going to MAKE YOU TIRED! It will CALM YOU DOWN! Yes, this book WILL PUT YOU TO SLEEP! How? Easy. There are monster trucks dashing across the pages. There are sheep being chased by dragons. There are electric guitars wailing throughout. Plus so MUCH MORE! Yep. All the typical stuff that makes you sleepy. So . . . are you asleep yet? No? Well, maybe another method would work better . . . So read on, and it's guaranteed you'll start to snooze! When hard times strike, we look forward with longing to the day when we will "get over" the event and have closure. This is a difficult--often impossible--road to travel. There are some things in life that we must learn to live with because they will never truly go away for good. Despite that truth, there is life--rewarding and abundant life--after heartache and pain. John F. Westfall leads readers beyond their hurts and into a life of confidence, freedom, and secure joy. Sharing stories with wisdom, humor, and vulnerability, he shows how to move forward beyond fear, regret, guilt, anger, and bitterness into a life worth living. Melvin likes to throw a tantrum when he does not get what he wants, but he learns that the classroom rule, "you get what you get and you don't throw a fit" applies at home as well. Are you finding it hard to gain a rhythm when job hunting? Are you confused about how to get promoted and grow at your company? Are you struggling to overcome rejection and self-doubt in your career? With the songbook, children can learn to track the lyrics in icons and words as they listen. Photos add additional meaning. Put together, the songs and books comprise a rich learning experience that encourages repetition and skill-building. Let's Play Tag models the script for a lively, interactive game of Tag. "Chase me! Chase me! You can't get me!" "Run! Run! I'm gonna get you!" "I got you! You're It!" The kids take turns being 'It,' and at the end of the game, the music tells us that they are happy and exhausted. Similar to social stories, Autism Sing-Along! Social Songs are designed to help children learn to navigate through activities of everyday life with more comfort, more skill and less anxiety. They encourage participation, and are pitched appropriately for young voices, should they begin to sing along. Autism Sing-Along! Social Songs are available on iTunes, Amazon MP3, Google Play, and other music outlets. Imagine having everything you've ever wanted. All the wealth, fine clothes, nice house, good food - everything you've ever thought of having. Thirteen year old Jamal Jackson from Dallas enters a summer program to experience country living in very rural Clayton Springs. He enjoys ranch life and likes his summer host, Jake, more than he had expected. He meets a group of teenagers who quickly become his friends. However, when the unexpected happens, he needs his new friends to help him out of a dangerous situation. Jen Nilsson has an MBA, a nice condo, and a fast-track job at a tech start-up in Silicon Valley. If her big product launch goes well next month, she may finally land the marketing director job she's been gunning for. But then her younger sister, Katie, just out of college and estranged from their newly devout parents, blows through the front door, dumping cardboard boxes and a lifetime of personal drama onto Jen's just-swept floor. Family is family, and Jen lets her sister, the embodiment of all that annoys her, move in. Maybe she'll turn aimless Katie into a model adult. But when Jen's own well-laid career plans hurtle off the tracks—a corporate buyout, a layoff, and a disastrous business trip to China—she turns more and more to Katie for support and begins to reassess the place of family, and love, in her life. If You Can Get It explores the quirks and the humanity of the twenty-first-century business world but finds its heart in the deepening relationship of two sisters as different as Elinor and Marianne of Sense and Sensibility. Imagine how much easier your life could be if you could get people on your side instantly. If you had the skills of effortless persuasion that produced the results you wanted and needed, when you needed them. Like a How to Win Friends and Influence People for the 21st century, You Need This Book is a powerful recipe for getting what you want in life, from a better job to how to get served quickly at a busy restaurant. Bringing their infectious personalities and clear, accessible style to a wider audience, Palmer and Solder impart their in-depth knowledge of how to influence people - in business and in personal life - with humour and a very British voice. From getting rid of 'toxic autopilots', to learning how to read people's moods, the book is an invaluable tool for anyone who wants to get on in life and get the job, relationship and happiness they deserve.

Lorain has been a prisoner of her secrets for almost her entire life. At the age of thirteen, she managed to keep her pregnancy a secret, discarding the infant and leaving it for dead. Years later, Lorain's mother finally met the love of her life, and Lorain couldn't find the courage to tell her mother that her new beau was the man who molested Lorain and impregnated her. Now, to complicate matters, Lorain discovers that the baby she abandoned all those years ago survived, and God has placed Lorain in her now adult child's life. It seems like the legacy of secrets has been passed on, too, as Lorain helps her daughter conceal the true details behind one of her own pregnancies. Lorain has managed to maneuver the secrets and lies like pieces in a strategic game of chess and is now living the lavish, fairy-tale life of a doctor's wife. But even that is a lie. With the rug about to be pulled out from under Lorain by the woman who raised her abandoned child, all Lorain prays for is that everything will end well. In this cycle of lies, secrets, shame, and guilt, will Lorain get what she prays for? A "straight-dope, tell-all account" of touring with two of the world's greatest bands of the 60s and 70s—A "fast-moving narrative of rock-n-roll excess" (Publishers Weekly). In this all-access memoir of the psychedelic era, Sam Cutler recounts his life as tour manager for the Rolling Stones and the Grateful Dead—whom he calls the yin and yang of bands. After working with the Rolling

Stones at their historic Hyde Park concert in 1969, Sam managed their American tour later that year, when he famously dubbed them "The Greatest Rock Band in the World." And he was caught in the middle as their triumph took a tragic turn during a free concert at the Altamont Speedway in California, where a man in the crowd was killed by the Hell's Angels. After that, Sam took up with the fun-loving Grateful Dead, managing their tours and finances, and taking part in their endless hijinks on the road. With intimate portraits of other stars of the time—including Janis Joplin, Jimi Hendrix, the Band, the Allman Brothers, Pink Floyd, and Eric Clapton—this memoir is a treasure trove of insights and anecdotes that bring some of rock's greatest legends to life. This book is designed for the smart, savvy businesswoman who has what it takes to achieve her full potential, knows there is more, and wants to get there faster. Imagine how it would feel to get what you deserve, not just what you need. Where would you direct your life if you knew you couldn't fail? What would be possible if you had insider secrets on how to land your next big promotion? In *Why You Didn't Get the Job*, Diane Cashin, a business strategist and executive transformation expert, explains how your journey to the executive suite does not have to be a struggle. This powerful executive pays it forward with 10 action steps on how to get what you want. The strategies she offers are based on 30 years of leadership experience working with some of corporate America's biggest names including Cisco, Lockheed Martin, Siemens and The Department of Veteran Affairs. Diane shares real-life, hidden techniques that empower you to immediately take control of your future and become unstoppable. Through self-awareness, honesty, empowerment, and velocity, discover how to accelerate your way to an executive-level position. You will achieve life-changing breakthroughs by removing roadblocks and facing candid, sometimes uncomfortable insights that will propel you forward. top and enjoy every step of your journey. If you want results as fast as possible, let this book be your personal guide. Join the movement to build the next wave of women executives who will transform the business landscape. Be bold. Be fearless. Be unstoppable! Boston Bay Vikings: hot enough to melt the ice. Camden I grew up with only one dream—to become a professional hockey player. My dream came true and now I was a winger for the Boston Bay Vikings. I never gave much thought to having that ‘special’ someone in my life until I saw the young woman who hunkered down like a scared rabbit in the team’s shower room. I went from a carefree bachelor to a fierce protector. Molly Exhausted and scared, I fell asleep in an empty room and came awake to find the gaze of three naked men on me. It turned out I’d found my way into the shower room of the Boston Bay Vikings—I’d never heard of them. However, it was the fourth man to appear who gave me hope. He spoke with confidence and made me feel safe. I didn’t want to leave his side, but I’d learned the hard way that anything good never lasted. Meet Camden Edwards and Molly Lewis in the first book of a new series by NYT and USA Today bestselling author, Lexi Buchanan. This is book 2 of the Evelina series. Things get even hot. Raised stakes and a matter of life or death. Mankind’s existence rest on the shoulders of one woman. The Omega. The first woman has become the last woman. The only true seal. What if it was all planned before this world was created? To save all humanity, mankind must find the only true key; the Omega. On the other hand, to restore the lost kingdom of darkness, the devil must find the most wanted catalyst; The Omega. When everyone’s fate is in your hands what are the risks to yourself? It is a dash against time as total obliteration of the losing team is imminent and inevitable. It is a story of courage, steadfast and honor in the face of death. When loyalty is tested to breaking points. When the person you are to protect is the same person you must kill to save humanity from extinction? Some choices are meant for gods as humans are too

weak and unequipped to handle such traumatic experiences. One man's quest to solve God's Dilemma, but at what cost? One lady's quest to clear her name and enjoy life like every woman out there, but with what is at stake will the evil regime turn a blind eye? And at what expense? On the edge of the seat from the word go. A MUST READ. Featuring a new preface, afterword and Radically Candid Performance Review Bonus Chapter, the fully revised & updated edition of Radical Candor is packed with even more guidance to help you improve your relationships at work. 'Reading Radical Candor will help you build, lead, and inspire teams to do the best work of their lives.' - Sheryl Sandberg, author of Lean In. If you don't have anything nice to say then don't say anything at all . . . right? While this advice may work for home life, as Kim Scott has seen first hand, it is a disaster when adopted by managers in the work place. Scott earned her stripes as a highly successful manager at Google before moving to Apple where she developed a class on optimal management. Radical Candor draws directly on her experiences at these cutting edge companies to reveal a new approach to effective management that delivers huge success by inspiring teams to work better together by embracing fierce conversations. Radical Candor is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism - delivered to produce better results and help your employees develop their skills and increase success. Great bosses have a strong relationship with their employees, and Scott has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters. Radical Candor offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first-hand experience, and distilled clearly to give practical advice to the reader, Radical Candor shows you how to be successful while

retaining your integrity and humanity. *Radical Candor* is the perfect handbook for those who are looking to find meaning in their job and create an environment where people love both their work and their colleagues, and are motivated to strive to ever greater success. This book, updated with many new sample essays, is focused to help college students who are seeking admission to graduate schools of business administration. Extensive essay-writing advice covers the dos and donts in writing a successful essay plus and instructs in the process of organizing ideas, writing a rough draft, then re-writing a final finished essay for presentation. It is followed with approximately 75 sample essays, all of them written by business school applicants accepted for enrollment in leading schools. Within minutes of reading this book you will want - and be able to - apply its clear, direct and highly effective principles to your own life. Jack Canfield built an \$80 million business from nothing. Now he shares his key techniques and unique insights so that you too can achieve success in everything you do.

Are you tired of feeling worn out, sick, and overweight?

Why is it that we experience weight gain, fatigue, aches and pains, illnesses, and memory loss as we get older? And, more importantly, do we have to?

These ailments do become more common in our 30s and 40s, but they are by no means inevitable. In fact, we are perfectly capable of remaining slim and vigorous, and our brains can absolutely stay clear and sharp—if we give them what they need. The problem is that most of us don't do that. We don't realize what our bodies need, so we eat the wrong foods, skimp on sleep, and deprive our bodies of the movement they crave. Overwhelmed by the stresses and the pressures of our lives, we take a host of prescriptions, never realizing how they might be disrupting our body's innate ability to heal. Most insidious of all, many of us lack

the personal support and the community that we need to feel fully alive. Instead, we buy into the myth that age means decline.

A pioneer and internationally recognized expert in integrative and functional medicine, Dr. Frank Lipman proves that you don't have to feel this way. You have a choice! In his latest book, Dr. Lipman breaks through the common myths and misconceptions surrounding aging and dieting, and zeroes in on what you need to do in order to feel your very best. His two-week Revitalize Program brings together key information regarding insulin resistance and carbohydrate intolerance, gut and hormonal imbalances, sleep disorders, medications and supplements, and community support, and features:

- delicious, nutritious recipes to support you along the way
- handy shopping lists and meal plans
- simple exercises, meditation practices, and restorative yoga sequences
- information about powerful anti-aging and digestive supplements and vitamins
- and more!

Dr. Lipman also offers a lifelong Maintenance Program, so that after two life-changing weeks, you can continue on your path toward ultimate health and wellness for years to come.

In just two weeks—only 14 days—you can feel so much better than you ever imagined!

This is a book that you'll want to share with your family, friends . . . and anyone else whose health you care about!

Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of

achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE. This publication is the official theory test book for car drivers, compiled by the Driver and Vehicle Standards Agency. It contains multiple choice questions from the whole theory test question bank, with answers and explanations, dealing with topics such as: alertness and attitude, vehicle safety and handling, safety margins, hazard awareness, vulnerable road users, motorway rules and rules of the road, road and traffic signs, documents, accidents, and vehicle loading.
