Forbidden by her father to indulge in music in any way, a girl on the planet Pern runs away, taking shelter with the planet's fire lizards who, along with her music, open a new life for her. Small-town attorney Cam is happy to help his sister-in-law's best friend, Grace, out of a legal jam, but as their feelings for one another intensify, Cam realizes that he has more at stake than just earning a favorable verdict. Book two in Blake Knight and Jewell Weston's story. See how their story concludes. Relinquish Control has opened its doors in Seattle, and already we are not shy for customers. Relinquish Control is an exclusive escort service catering to the most distinguished customers, from business magnates to foreign royalty. This proven and well-established international business offers an elite selection of women who are ready and willing to attend to your every need with no questions asked. Confidentiality is our special obligation. Jewell Weston is homeless and desperate at age twenty-four. Two years ago, she quit her job to care for her ailing mother and her young brother; the medical bills incurred because of the cancer that killed her mother two months ago took everything the family had, and the state then took away her brother, now age fourteen. The only way for her to get the boy back is by finding a job and securing a home. When she's approached by a woman in cashmere and pearls who tells her she can change her life, and is handed a card with the business name Relinquish Control on it, she thinks she has nothing to

lose by calling the phone number. Maybe this will be the answer to her prayers, a way to save her little brother from the nightmarish foster home he's been placed in. Blake Knight, known to the world as cold and without a heart, is given an exclusive membership to Relinquish Control by his devilish younger brother, who thinks it would be amusing to make his staid brother squirm. Little does this brother realize that Blake does indeed have unusual desires that Relinquish Control can cater to perfectly. What started as a joke turns out to be just what Blake needs. Though the world sees this man as deliberate and emotionless, it's nothing but a façade. What lies underneath would shock all those who know him. When he and his two brothers were six, eight, and ten, they were tied up and forced to watch while their parents were murdered. The image has been burned into their minds, though they've tried to forget, leaving each of them guarded and unwilling to give their trust to anyone other than each other. No one is allowed to have their hearts. The brothers would never think of letting down their guard with anyone else, certainly not with a woman. Follow Blake and Jewell's journey and see if they can find a happily ever after . . . Byron Knight's world isn't what most would consider perfect, but he's satisfied with the way his life is going. There are only two people in this world he loves - his brothers, Blake and Tyler Knight. A woman is now threatening the carefully balanced beam the brothers have been holding to, and her name is McKenzie Beaumont. Before she entered the life of his brother Blake, no one, male or female, had ever come between the three men, but McKenzie and her twisted business has interfered for the last time in the Knight brothers' lives, and she's about to feel Byron's wrath. McKenzie Beaumont hasn't always been so closed, so cold, or what the world sees as cold, but she's learned the hard way that men are never to be trusted. If she stays ahead of the game, and protects the women she employs, then the women - herself included - are the true winners, even if the men think they have all of the control. Who will prevail in this battle of the sexes? Who has the most to lose? Find out in the third installment of the Forbidden series by NYT best-selling author Melody Anne. Nicole Lander has no choice but to contact Ryan Titan, the boy she had loved beyond compare when she was a teenager. Her sister was in desperate need of a heart operation, or she would not live more than six months. Nicole had lied to Ryan when they were teen's because she had not wanted him to find out about the abuse she was going through from her father. When Ryan Titan gets the call from Nicole, needing his help, he is ecstatic. He would finally get to exact his revenge for her dumping him for not being good enough for her. He will help out her sister, but she will pay him back every night until he is done with her. The problem is that he has never felt about any other woman the way he feels about Nicole, and his revenge is turning into him wanting to walk her down the aisle. Charlie Diamond was raised by incredible parents in Prairie Town, Oregon where everyone knows their neighbors and a kid can't get away with anything. To top that off, her father is the small town's preacher, making her nearly untouchable. But that doesn't stop one boy from crossing the line in the sand her father has drawn. Bentley Lawrence III has also been born and raised in Prairie Town as well. As a matter of fact, he's from four generations back, and his family owns a huge ranch, and logging land that employees most of the town. Bentley's twin sister, Stephanie Lawrence is best friends with Charlie, and somewhere between kindergarten and high school Bentley has fallen madly in love with Charlie. Sometimes, though, love just isn't enough, not when unbearable tragedy hits when that seems an insufferable possibility. When Charlie's world falls out from beneath her, a deathbed promise, and a loving best friend, sends Charlie on a whirlwind to find herself and live the dreams she promised Bentley she'd live.
