[International Harvester Australia](#) Oct 23 2020 This book contains archive quality photos and features a complete history of International Harvester Australia with important dates such as the first Australian tractor built, the 10,000th tractor build date and more than 200 photos from International Harvester Australia Archives. It also contains detailed descriptions of every tractor made at Geelong Works, complete with build numbers of tractors produced and monthly serial number listing for tractors made from 1960-1982. This book also features a full list of headers (combines) built at Geelong Works - both self-propelled and PTO driven, with build numbers. It also includes a comprehensive list of implements built at Geelong Works. A must have for every International Harvester enthusiast!
