It's just before New Year, and Frank, an overweight American tourist, has hired Kenji to take him on a guided tour of Tokyo's nightlife. But Frank's behaviour is so odd that Kenji begins to entertain a horrible suspicion: his client may in fact have murderous desires. Although Kenji is far from innocent himself, he unwillingly descends with Frank into an inferno of evil, from which only his sixteen-year-old girlfriend, Jun, can possibly save him. The gavel hit the block and his mind went silent. Marks soul folded up small: once, twice, and once more. Until his senses were withdrawn from the reality and the numbness in his head made a dream-time of the external world. His mothers cries echoing in the courtroom. But it couldn't be real, could it? A violent thrust and he fell into a cage. A heavy door closing behind. The sound of the starting engine. Bang! The gavel against the block now was no more than a resonance in his head. He lost the game. It was over. From mindless delinquent to mindful hypnotist, Mark Anthony's story take us from the criminal world of Southeast London, through many trials and tribulations to a successful career as one of Australia's most sought after Hypnotists. A roller-coaster of family violence, children's home, expelled and suspended from schools, child abuse, drugs, crime and loss of freedom in the form of time behind bars; cancer, bankrupt, divorce and false accusations, brother of a murderer, and the power of a mans mind driving his way out to a brighter life of love and success. Marks incredible story goes beyond anything told before: a real emerging phoenix. Fatherless, poor, beaten, abused, arrested, belted, threatened, on the verge of death...Marks childhood and adolescence elapsed like the worst of nightmares. The brother of a murderer, he lost four friends to heroin and was employed by an underworld figure. Treated like scum but trusting there was a way out, it was when the game seemed lost, behind bars, that Mark decided to change his life. It was an arduous path, rich in disappointments and great mistakes, albeit Marks life tells us that nothing is fatal and never everything is lost. An inspirational but raw story showing us that, no matter where we are at, there is always a way up if we put our mind to it, "It's all about the choices we make." The long awaited and best-selling book 6, 'Crafting hypnotic spells!' in the Rogue Hypnotist series is finally here in paperback! All great hypnotists need a word-horde, a spell book to aid them in their efforts! After all what are you going to do once your subject/client etc. is hypnotised? I mean at an advanced level! A top, lone, anonymous UK clinical hypnotherapist and NLP Master Practitioner working in London who helps clients in just 1 session brings you... 'Powerful hypnosis!' You will know what to do when someone is hypnotised! You have over 50 pages of hypnosis scripts in the appendices alone! Learn the Rogue Hypnotist's approach to hypnosis - 'Hypnotic Reprogramming.' Discover... 1. The fact that hypnotherapy doesn't reprogram the brain. 2. How to create 'creative deepeners.' 3. A comprehensive outline of how to treat 'a lack of confidence' in anyone with a wide array of scripts that will arm you to successfully do so, thereby teaching you how to treat many others problems too. 4. How to elicit hypnotic ASMR. 5. Why you should never use anything 'discovered' by Freud. Why all therapies and therapists are mad! 6. Cultural hypnosis in cinema, primitive tribes, advertising, news media, politics: with a thorough analysis of politicians use of NLP and hypnosis to influence YOU. 7. What it's really like working with client's, unlike all the nonsense you may have heard and what weird and wacky treatments you shouldn't touch with a barge pole. 8. How to do pattern interrupts like Dr Spock! (From Star Trek!) and how to appear to be an expert and yet never be fooled by so-called 'experts' again. 9. The precise framework of a successful hypnosis session and the 30 golden questions that you must ask every client to successfully help them. 10. How to do 'hypnotic cold reading.' 11. How to ensure drug addicts don't get withdrawal, how to eliminate mysterious psycho-somatic pain, how to remove client's limiting beliefs - scripts provided. 12. How to do reframing that works and avoid others using reframing against YOU. 13. What to do if client's cry what 'self-esteem' isn't! 14. How to use metaphor and story to get change - detailed analysis and scripts. 15. A comprehensive reading list of unique books that aren't necessarily about hypnosis to be a great hypnotist! 16. What addiction really is. Understand why it's spreading like wildfire. 17. The 20 'Universal Human Needs,' and why you need to know about them to help others. 18. The strange experiment in hypnosis, 'The hypnotic induction of anxiety' and how to reverse the principles of the experiment to create hypnotic bliss and ecstasy in anyone! 19. The power of your hypnotic intent and expectation and the 21 questions that imply anyone into trance. 20. How to handle 'ego syntonic' clients and why NLP is very overrated. 21. How to do effective parts work and what parts to negotiate with: level 1. 22. What a 'hypnotic face lift' is and how 'values spotting' will get you deep rapport fast. 23. What the 'problem matrix' is and how to beat it. 24. What the placebo response is with some amazing examples of it in action. 25. The incredible power of words and ideas and a whole lot more!!! Double the fun for half the money!!! This book will teach you even more of the 'hypnotic keys to the mind,' all in the same irreverent and humorous way the first two books did. Who says learning has to be dry and dull???? After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic selfdefense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the 20th century. 'Brilliant...wild and exhilarating' New Yorker Sgt Raymond Shaw is a hero of the first order. He's an ex-prisoner of war who saved the life of his entire outfit, a winner of the Congressional Medal of Honor, the stepson of an influential senator...and the perfect assassin. Brainwashed during his time as a POW he is a 'sleeper', a living weapon to be triggered by a secret signal. He will act without question, no matter what order he is made to carry out. To stop Shaw, his former commanding officer must uncover the truth behind a twisted conspiracy of torture, betrayal and power that will lead both to the highest levels of the government. - and to Shaw's own past... "Mark Edward is an equivocator, fibber, and mountebank. Which begs the question: if a liar admits to lying, can he be telling the truth? He is a literate, informative, intellectual, a student of the psychology of humans, a foe of those who would defraud the public for personal gain, and as an author and practicing psychic, he is first and foremost an entertainer."—Joel Moskowitz, International Brotherhood of Magicians Mark Edward admits that for years he exploited believers who wished to connect with supernatural ideas and sad family members who missed dead loved ones. Now Edward is a magician who works the Haunted Castle in Hollywood and is also on the editorial board of Skeptic magazine, where he reveals the means of psychic scamsters. This entertaining book is at once a confessional and instructional regarding human belief and those who exploit it. Though Edward believes that most practitioners of the psychic business are out-and-out scam artists, he also counters the skeptic belief that the supernatural is a lie. Both skeptic and skeptical of skepticism, Mark Edward has worked as a 900-number psychic, ghost hunter, and Hollywood Magic Castle medium. He has also worked vigorously to debunk psychic frauds and currently works on the editorial board of Skeptic magazine. "The objective of this book is to try and give an easily comprehensible account of the development and present status of hypnotism, for the benefit of physicians as well as of lawyers and of the interested public; and as the author's personal experience in the matter is as yet too small, he has collected from the best and latest authorities such facts as to him seemed surest, most reliable, and most instructive. The author has especially illustrated the dark sides of hypnotism, and the many injurious effects upon the physical and psychic life of man, which may result from the abuse of it: and he would strongly advise those who have not had a medical education, not to meddle with this agent so dangerous and so difficult to control. This second edition adds a special chapter on the abuse and the dangers of hypnotism, so as still more to emphasize the author's previously expressed warning to the public against a careless trifling with this force"--Preface. (PsycINFO Database Record (c) 2012 APA, all rights reserved). Effective Interviewing and Interrogation Techniques, Second Edition, is completely revised and updated so as to cover all the information a student needs to know to obtain answers from a witness, a victim, or a suspect and how to interpret these answers with the utmost accuracy. Building on the previous edition's ground-breaking search for truth in criminal and non-criminal investigations, this book contains five new chapters which include coverage of false confessions, interviewing the mentally challenged, and the ethics of interrogation in a post 9/11 world. This new edition includes highly illustrated chapters with topics ranging from the psycho-physiological basis of the forensic assessment to preparation for the interview/interrogation; question

formulation; projective analysis of unwitting verbal clues; interviewing children and the mentally challenged; and pre-employment interviewing. Also included are several model worksheets and documents, case studies, and complete instructions for using the authors' Integrated Interrogation Technique, a 10-point, highly successful approach to obtaining confessions that can stand up in court. The book concludes with an insightful look at the future of truth verification. This book will be of benefit to attorneys, coroners, detectives, educators, forensic psychophysicists (lie detection), human resource professionals, intelligence professionals, and investigators as well as journalists/authors, jurists, medical professionals, psychological professionals, researchers, and students. - Expanded coverage of Statement Analysis, including actual statements from real cases. - New photos to aid in assessing nonverbal behavior. - Added section on assessment of written statements. Hypnosis: How to Hypnotize, Influence, and Control Anyone is the one-stop guide that will teach you how to hypnotize people and make them bend to your will. This book unveils the secrets and teaches how to use hypnotism to effectively put anyone under your control. What is more, this book, will show you how to use self-hypnosis effectively. In this book you will discover: What hypnosis is Brief history of hypnosis The truth behind the myths Little-known truths about hypnosis The different phases of a hypnotic act Self-hypnosis Powerful hypnotic techniques that you can use Best practices And so much more! Don't delay, click the buy now button. Please note: This is a companion version & not the original book. Sample Book Insights: #1 The word program actually means: a definite plan or scheme. In other words, you are removing choice. That is the clear implication, isn't it. But that isn't what I do. I help people access their already existing abilities and have them available in certain contexts. Phil Factor is a legend in his own runtime. Scurrilous, absurd, confessional and scathing by turns, Confessions of an IT Manager targets the idiocy, incompetence and overreach of the IT management industry from vantage point all the way up and down the greasy pole. Phil Factor (real name withheld to protest the guilty) has over 20 years experience in the IT industry, specializing in database-intensive applications. For withering insight into the human weaknesses and farcical levels of ineptitude that bring IT projects to their knees, plus occasional escapes into burnished pastiche and cock-a-leg doggerel there is no funnier, more illuminating commentary on the IT crowd. A veteran police detective, Robert Snow was devoted to evidence and hard facts—he had never given any thought to reincarnation. But during a hypnotic regression, he experiences a vivid awareness of being alive in three separate historical scenes. Remaining skeptical, Snow begins to investigate with the intention of disproving reincarnation. Instead, diligent research and corroboration from multiple sources reveal solid evidence that he lived a former life as Carroll Beckwith, a nineteenth-century American artist. Portrait of a Past Life Skeptic tells the fascinating story of Robert Snow's transformation from skeptic to believer. The story of a Japanese boy's development towards a homosexual identity during and after the Second World War. In narrating his progress from an isolated childhood through adolescence to manhood, he exposes his inner life, full of repressed homosexual desires and preoccupations with sadomasochism and death. The enduring power of the novel is in part owing to its themes of fantasy, despair, and alienation, its eloquent voice and its autobiographical nature - the equally enduring fascination with the life and character of one of Japan's most turbulent artists. Derren Brown's amazing television and stage performances have entranced and amazed millions. His baffling tricks and stunning illusions have set new standards of what's possible, as well as causing controversy. Now, for the first time, he reveals the secrets behind his craft. He delves into the structure and psychology of magic. He tells you how to read clues in people's behaviour and spot liars. He discusses the whys and wherefores of hypnosis (which he says doesn't exist) and shows how to use the powers of suggestion and massively improve the power of your memory. Hypnosis is a proven technique that allows people to reprogram their subconscious to change unwanted behaviors. Most books on self-hypnosis require the reader to memorize or record scripts, then put the book aside while they do their hypnosis work. But Instant Self-Hypnosis is the only self-hypnosis book that allows you to hypnotize yourself as you read, with your eyes wide open, without putting down the book. The author's fail-proof method allows you to put yourself into a hypnotic state and then use that state to improve your life in myriad ways. And because the hypnotic state is induced while you read, you remain aware of your surroundings and can bring yourself back to normal consciousness slowly and gently, using the instructions provided. CONFESSIONS OF A HYPNOTIST by Top Television & Media Hypnotist and International Celebrity Mind Therapist Dr. Jonathan Royle BSc is subtitled: "Everything You Ever Wanted To Know About Hypnosis But Were Afraid to Ask" and the title pretty much says it all. For many years now most Industry Experts have regarded "Hypnotherapy" by Dave Elman as the Handbook for Hypnotherapists and anything by Ormond McGill as must study reading for Stage Hypnotists, However at long last that has all now changed with the release of "Confessions of a Hypnotist" by Dr. Jonathan Royle - BSc This encyclopaedic course available in both Hard Back and Paper Back formats is an amazing compilation of many of Royles Ebooks including "The Professional Art of Stage Hypnosis, Hypnotherapy & Complete Mind Therapy" - "The Lazy Mans Guide To Stage Hypnotism" "Make A Million From Hypnotherapy" "Hypnotising Animals for Fun and Profits" "Hypno-Tricks How To Be an Instant Hypnotist" "Theres No Such Thing As Hypnosis" and many others! Not only have all of Royle's previous works been compiled into one volume, but all of the information has been completely updated and extensively added to making this without doubt the most comprehensive Home Study Training Course on all areas of the Hypnotic Industry ever written or released to the general public. Indeed many of the Secrets, Ploys, Methods & techniques revealed within the pages of this course have never appeared in print or any other form of training course before, indeed they have been jealously guarded by the Most Successful hypnotists for years, but here for the first time Royle has decided to lift the lid and reveal the True Secrets of Hypnotic Success which can change your life and your clients life forever! To detail all of the mind-blowing secrets, ploys. And tried, tested and proven to work in the real world of Hypnosis & NLP techniques that this combined course contains would take hours, so here are just a few brief examples of the contents: A brief example of the Hypnotherapy, NLP & CMT Contents: What hypnosis is about and how it works. \* How the human mind works. \* Rapport, observation, recognition, and leadership skills. \* Principles of verbal, physical and reverse psychology. \* Hypnotherapy, Advanced Hypnotherapy, Hypno-Analysis and Creative Visualisation. \* Inductions for the consulting room \* Standard phrases for hypnotic inductions and how to deepen the hypnotic trance. \* How to identify the trance states and awaken clients. \* How to deal with abreaction's and hard to awaken subjects. \* Hypnotherapy scripts for stopping smoking, weight loss, skin problems, and confidence building. \* Psychotherapy and how to tackle advanced problems such as acute depression and sexual problems. \* The use of hypnosis for past life regression. \* Shortcuts to alternative medicine. \* How to increase your hypnotherapy business and income. \* How to earn money from stress management and motivational training. \* The Fast Phobia Cure Treatment Known as Neuro Associative Conditioning (NAC) \* The Complete Mind Therapy (CMT) session structure. Many people have gone on to become successful hypnotherapists after taking this course. Take this opportunity and you too can enter this wonderful and rewarding occupation. "Thanks for the training, which was excellent value for money and has provided me with a career for life which I enjoy immensely!" Bill Graham www.hypnosis4u.co.uk A brief breakdown of the Stage Hypnotism Methods taught: What hypnosis is about and how it works. \* How the human mind works. \* Rapport, observation, recognition, and leadership skills. \* Principles of verbal, physical and reverse psychology. \* Seven different suggestibility tests to use before hypnosis. \* Over thirty different induction methods and techniques to hypnotize people. \* How to create your own hypnotic inductions. \* Standard phrases which hypnotists use. \* Standard Robert Langdon is called upon to identify a mysterious symbol seared onto a dead man's chest. It belongs to the Illuminati, a secret brotherhood with a vendetta against the Catholic Church. Army psychiatrist Philip Outerbridge receives a confidential folder containing the letters, memos, and transcripts for a young soldier named George Smith - a quiet young man with a terrible past and a shocking secret. As Outerbridge conducts George's therapy, he gradually discovers the truth about George's traumatic childhood, his twisted romance with an older woman named Anna, and the unusual obsession George keeps hidden from the world. "A dreamlike novel about a young historian and a persuasive and beguiling stranger coming together in modern-day Kolkata, India to transcribe an ancient journal. A collection of paper, parchment, and skins, the journal tells of bloodshed, kidnapping, magic and shapeshifting, set against the harsh landscapes of the 17th-Century Mughal Empire. It reveals the story of hunters and prey, lovers and the beloved, and, in the end, the choice to be transformed, or be quarry"-- Hypnosis use and abuse, by a licensed psychologist and expert in hypnosis for 30 years, with examples and recommendations to reduce risk. Meet Keiko. Keiko is 36 years old. She's never had a boyfriend, and she's been working in the same supermarket for eighteen years. Keiko's family wishes she'd get a proper job. Her friends wonder why she won't get married. But Keiko knows what makes her happy, and she's not going to let anyone come between her and her convenience store... \*Convenience Store Woman comes in three different colours; the colour you receive will be chosen at random\* Based upon scientific findings, using both a theoretical and practical approach, it provides excellent guidance regarding interrogation--its effects and implications. Presents full coverage of police interrogation methods and the processes by which false confessions are elicited plus demonstrates how they are more frequent than generally believed. Features a number of well-known contemporary cases including the ``Guildford Four'', ``Birmingham Six" and ``Tottenham Three" in which the author has been personally involved. The inside of Derren Brown's head is a strange and mysterious place. Now you can climb inside and wander around. Find out just how Derren's mind works, see what motivates him and discover what made him the weird and wonderful person he is today. Obsessed with magic and illusions since childhood, Derren's life to date has been an extraordinary journey and here, in Confessions of a Conjuror, he allows us all to join him on a magical mystery tour - to the centre of his brain... Taking as his starting point the various stages of a conjuring trick he's performing in a crowded restaurant, Derren's endlessly engaging narrative wanders through subjects from all points of the compass, from the history of magic and the fundamentals of psychology to the joys of internet shopping and the proper use of Parmesan cheese. Brilliant, hilarious and entirely unlike anything else you have ever read before, Confessions of a Conjuror is also a complete and utter joy. In this landmark work Keith Johnstone provides a revelatory guide to rediscovering and unlocking the imagination. Admired for its clarity and zest, Impro lays bare the techniques and exercises used to foster spontaneity and narrative skill for actors. These techniques and exercises were evolved in the actors' studio, when he was Associate Director of the Royal Court and then in demonstrations to schools and colleges and ultimately in the founding of a company of performers called The Theatre Machine. Divided into four sections, 'Status', 'Spontaneity', 'Narrative Skills' and 'Masks and Trance', arranged more or less in the order a group might approach them, the book sets out the specific approaches which Johnstone has himself found most useful and most stimulating. The result is a fascinating exploration of the nature of spontaneous creativity. 'If teachers were honoured in the British theatre along-side directors, designers and playwrights, Keith Johnstone would be as familiar a name as are those of . . . Jocelyn Herbert, Edward Bond and other young talents who were drawn to the great lodestone of the Royal Court Theatre in the late 1950s. As head of the script department, Johnstone played a crucial part in the development of the 'writers' theatre.' Irving Wardle Findings from research on false memory have major implications for a number of fields central to human welfare, such as medicine and law. Although many important conclusions have been reached after a decade or so of intensive research, the majority of them are not well known outside the immediate field. To make this research accessible to a much wider audience, The Science of False Memory has been written to require little or no background knowledge of the theory and techniques used in memory research. Brainerd and Reyna introduce the volume by considering the progenitors to the modern science of false memory, and noting the remarkable degree to which core themes of contemporary research were anticipated by historical figure such as Binet, Piaget, and Bartlett. They continue with an account of the varied methods that have been used to study false memory both inside and outside of the laboratory. The first part of the volume focuses on the basic science of false memory, revolving around three topics: old and new theoretical ideas that have been used to explain false memory and make predictions about it; research findings and predictions about false memory in normal adults; and research findings and predictions about age-related changes in false memory between early childhood and adulthood. Throughout Part I, Brainerd and Reyna emphasize how current opponent-processes conceptions of false memory act as a unifying influence by integrating predictions and data across disparate forms of false memory. The second part focuses on the applied science of false memory, revolving around four topics: the falsifiability of witnesses and suspects memories of crimes, including false confessions by suspects; the falsifiability of eyewitness identifications of suspects; false-memory reports in investigative interviews of child victims and witnesses, particularly in connection with sexual-abuse crimes; false memory in psychotherapy, including recovered memories of childhood abuse, multiple-personality disorders, and recovered memories of previous lives. Although Part II is concerned with applied research, Brainerd and Reyna continue to emphasize the unifying influence of opponent-processes conceptions of false memory. The third part focuses on emerging trends, revolving around three expanding areas of false-memory research: mathematical models, aging effects, and cognitive neuroscience. False Memory will be an invaluable resource for professional researchers, practitioners, and students in the many fields for which false-memory research has implications, including child-protective services, clinical psychology, law, criminal justice, elementary and secondary education, general medicine, journalism, and psychiatry. Social media is supposed to bring us together - but it is tearing us apart. 'A blisteringly good, urgent, essential read' Zadie Smith The evidence suggests that social media is making us sadder, angrier, less empathetic, more fearful, more isolated and more tribal. Jaron Lanier is the world-famous Silicon Valley scientist-pioneer who first alerted us to the dangers of social media. In this witty and urgent manifesto he explains why its toxic effects are at the heart of its design, and, in ten simple arguments, why liberating yourself from its hold will transform your life and the world for the better. WITH A NEW AFTERWORD BY THE AUTHOR 'Informed, heartfelt and often entertaining ... a timely reminder that even if we can't bring ourselves to leave social media altogether, we should always think critically about how it works' Sunday Times 'Indispensable. Everyone who wants to understand the digital world, its pitfalls and possibilities should read this book - now' Matthew d'Ancona, author of Post-Truth By the author of The Handmaid's Tale Now a major NETFLIX series Sometimes I whisper it over to myself: Murderess. Murderess. It rustles, like a taffeta skirt along the floor.' Grace Marks. Female fiend? Femme fatale? Or weak and unwilling victim? Around the true story of one of the most enigmatic and notorious women of the 1840s, Margaret Atwood has created an extraordinarily potent tale of sexuality, cruelty and mystery. 'Brilliant... Atwood's prose is searching. So intimate it seems to be written on the skin' Hilary Mantel 'The outstanding novelist of our age' Sunday Times 'A sensuous, perplexing book, at once sinister and dignified, grubby and gorgeous, panoramic yet specific...I don't think I have ever been so thrilled' Julie Myerson, Independent on Sunday Raising a Serial Killer A Father's Search for Answers In July of 1991 the country was shocked by the unfathomable crimes of serial killer Jeffrey Dahmer. But no one was more shocked than his parents. In A Father's

Story, the reader is witness to the incremental unraveling of a parent's image of their child, and the "thousand different reactions" that follow. In his attempt to understand the nature of his son's psychosis, Lionel Dahmer methodically scrutinizes every possible contributing factor to his son's madness. His desperation is palpable as he searches for clues in the emotional, psychological, and genetic landscape of his son's life. Riveting and soul-wrenching, this unprecedented memoir is the confession of a father who must "confront the saddest truth a human can know—that his child has somehow crossed the line that separates the human from the monstrous." This phenomenal work by the 'Dean of American Hypnotists' is the most comprehensive text ever to be published on stage hypnotism. It also has widespread therapeutic applications. "A masterwork on Stage Hypnosis" Gil Boyne, President, American Council of Hypnotist Examiners Kassin and Wrightsman's book concentrates on the single most important determinant of verdicts -- the evidence and court procedure. It is divided into four parts: (1) an overview and historical perspective; (2) seven substantive topics like eyewitness accounts, confessions, and character evidence; (3) an examination of the major stages of trial procedure; and (4) a provocative discussion of the role that psychology does, and should, play in the judicial process. Written in non-technical language, this book should have a broad appeal to students, researchers and litigants alike. `Chapters are extremely well written and documented. The work is highly recommended for advanced undergraduates, graduate students and legal profess Discover the secrets of written persuasion! "The principles of hypnosis, when applied to copywriting, add a new spin to selling. Joe Vitale has taken hypnotic words to set the perfect sales environment and then shows us how to use those words to motivate a prospect to take the action you want. This is truly a new and effective approach to copywriting, which I strongly recommend you learn. It's pure genius." -Joseph Sugarman, author of Triggers "I've read countless book on persuasion, but none come close to this one in showing you exactly how to put your readers into a buying trance that makes whatever you are offering them irresistible." -David Garfinkel, author of Advertising Headlines That Make You Rich "I am a huge fan of Vitale and his books, and Hypnotic Writing (first published more than twenty years ago), is my absolute favorite. Updated with additional text and fresh examples, especially from e-mail writing, Joe's specialty, Hypnotic Writing is the most important book on copywriting (yes, that's really what it is about) to be published in this century. Read it. It will make you a better copywriter, period." -Bob Bly, copywriter and author of The Copywriter's Handbook "I couldn't put this book down. It's eye opening and filled with genuinely new stuff about writing and persuading better. And it communicates it brilliantly and teaches it brilliantly-exemplifying the techniques by the writing of the book itself as you go along." -David Deutsch, author of Think Inside the Box, www.thinkinginside.com "Hypnotic Writing is packed with so much great information it's hard to know where to start. The insights, strategies, and tactics in the book are easy to apply yet deliver one heck of a punch. And in case there's any question how to apply them, the before-and-after case studies drive the points home like nothing else can. Hypnotic Writing is not just about hypnotic writing. It is hypnotic writing. On the count of three, you're going to love it. Just watch and see." -Blair Warren, author of The Forbidden Keys to Persuasion From Colleen Hoover, the #1 New York Times bestselling author of It Starts with Us and It Ends with Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly. THE SUNDAY TIMES BESTSELLER 'Enlightening, thought-provoking and illuminating. Derren Brown asks questions about the world, and his intelligent curiosity benefits us all.' ELIZABETH DAY In A Book of Secrets, internationally bestselling author Derren Brown shows us that it is in those moments when we are faced with adversity that we can find life's most lasting rewards. In thirteen fascinating chapters, Derren takes us on a personal journey - to the scene of a childhood humiliation, to lonely evenings on tour, to being paralysed by shyness at a dinner party, to navigating middle age and to finding love. Sharing moments of anger, frustration, loneliness and loss, Derren reveals how it's possible to find consolation and compassion. Even in our most challenging times we can find meaning and grow. 'Derren Brown is a mine of wisdom, humanity and kindness - everything we need to sustain and nourish ourselves.' ALAIN DE BOTTON \*\*\*\*\* 'This is the most I've seen Derren lay himself bare' \*\*\*\*\* 'Funny, moving and always, always meaningful' \*\*\*\*\* 'Derren's best book to date and the best book I have read this year' \*\*\*\*\* 'Everything you need in this is a gem. I can't wait to read it a second time' Learn The Real Techniques To Hypnotize People And Talk To Their Subconscious If you have ever wondered about the mysteries of hypnosis, you are not alone. In This Book You'll Learn: What Is Hypnosis And How It Works 3 Steps To Induce A Trance (With Exact Scripts You Can Use) Hypnotic Techniques World's Top Hypnotists Use Betty Erickson's 3-2-1 Script 5 Techniques To Focus Anyone's Attention And Sneak Into The Subconscious How To Hypnotize Anyone Using Breath, Voice, Memorization And Language The Staircase: How To Use Metaphors To Speak To The Subconscious Hypnotic Tips, Tricks And Secrets That Most People Don't Know How To Use Hypnosis To Help People Achieve Their Goals Easier A Complete Script To Take Someone From Beginning To End In A Hypnotic Session Myths And Frequently Asked Questions About Hypnosis Believe me, once you get started with hypnosis you won't want to stop. Learn the real hypnotic techniques today! Scroll to the top and select BUY NOW! Bizarre military history: In 1979, a crack commando unit was established by the most gifted minds within the U.S. Army. Defying all known laws of physics and accepted military practice, they believed that a soldier could adopt the cloak of invisibility, pass cleanly through walls, and—perhaps most chillingly—kill goats just by staring at them. They were the First Earth Battalion, entrusted with defending America from all known adversaries. And they really weren't joking. What's more, they're back—and they're fighting the War on Terror. An uproarious exploration of American military paranoia: With investigations ranging from the mysterious "Goat Lab," to Uri Geller's covert psychic work with the CIA, to the increasingly bizarre role played by a succession of U.S. presidents, this might just be the funniest, most unsettling book you will ever read—if only because it is all true and is still happening today. A unique, insightful, and practical look into the enormous power of past life regression therapy to unlock a healing pathway that can help you resolve enduring personal issues, enrich your life, and answer burning spiritual questions about your purpose on this earth. In this rare and fascinating intimate glimpse at past life regression therapy, licensed therapist Ann Barham invites us into her office as she helps her clients mine their unconscious memories for the key past life experiences that can provide specific guidance for their current situations. No longer simply the stuff of new age practitioners, past life regression therapy is a powerful tool that can improve your understanding of your personal challenges and deepen your connection with the world around you. Barham demystifies this intriguing phenomenon, sharing her client's astounding stories, each a clue to the profound influence the personalities of the past have on our thoughts and actions today. As modern science and technology advance at overwhelming rates, many of us crave the healing insights and feelings of eternal love that survivors of near death experiences frequently report. Through past life therapy, everyday people are able to experience prior lifetimes all the way through their deaths, tapping into abiding spiritual truths and answering essential questions about human existence.
